## Research Services

**➔ Mission**

The mission of the Office of Research Services is to support faculty as they prepare proposals for sponsored programs. The Office aims to increase competitiveness for funding by assisting in identifying appropriate funding opportunities, writing proposals, preparing budgets, and by providing training for faculty and grant administrators. Research Services also facilitates development of interdisciplinary research programs.

**➔ Finding Funding**

The good news is that there are an amazing number of places to find funding; the bad news is that finding the one that best matches your needs can be very difficult. Therefore, a variety of search options are provided to make your search easier. [Read more...](#)
