Info. Tech. – IT Elective	<u>3</u>		12
	15		

Total Credit Hours: 126

¹Cluster Theme Electives: Students are required to select one cluster theme and select four elective courses within that theme; however, the selection of either the Energy & Environment theme or the Community & Conflict theme will allow BUAD 361 to be used as one of the four theme electives.

²Students who do not pass the Proficiency Test for Data Entry and Digital Input Applications should first enroll in BUED 301.

³Selection of cluster theme Energy, Environment and Justice or Community and Conflict will allow BUAD 361 – Legal Environment of Business – to be used as one of the four cluster theme electives.

NOTE: A list of Information Technology Electives, including course descriptions, is available at the Department's Web site.
