Dear Dr. Whittaker:

Enclosed please find the 2008/2009 Monitoring Committee Report for your RCE Program. I am pleased to inform you that CORE's Commission on Standards and Accreditation has reviewed your Annual Program Progress Report for the 2008/2009 academic year and found no reason to add additional conditions to assure continued compliance with the CORE Standards for Rehabilitation Counselor Education Programs. Subsequently, in official session on July 17, 2009, the Council on Rehabilitation Education approved continuation of your program's recognition through the 2009/2010 academic year.

The annual monitoring process will occur in the same way for 2009/2010, with no response necessary until you receive the Annual Program Progress Report in mid-February which will be due in the CORE office by **April 1, 2010**. Re-evaluation for a new term of Accreditation will occur in the last year of your current term.

On behalf of the Council on Rehabilitation Education, please accept our congratulations on the continuing quality of your program.

Sincerely,
