Mission

"The University of North Carolina is dedicated to the service of North Carolina and its people.[1] In order to efficiently and effectively fulfill its three-pronged mission of education, research and scholarship, and public service in the 21st century, the University should proactively anticipate and identify the needs facing our state over the next twenty years and, consistent with its mission, develop and implement responses to those needs."

University of North Carolina Tomorrow

Under the leadership of [Norma Houston](#) and [Tony Caravano](#) and the guidance of a blue-ribbon [Commission](#) comprised of a host of North Carolina's community leaders and public servants, The University of North Carolina Tomorrow is committed to determining the needs of our state and implementing responses to those needs.

The work of this initiative will be driven by a [Scholar's Council](#) made up of some of University's best and brightest faculty and will move through [four distinct phases](#) from its inception to its completion.

To receive updates about The University of North Carolina Tomorrow please sign-up for our [mailing list](#). If you have questions or suggestions feel free to

contact [Norma](#) or [Tony](#).
