### MISSION STATEMENT

The Office of Career Services (OCS) team is here to assist you in every way that we can. The primary mission of the Office is to provide centralized, comprehensive and progressive programs, services and resources designed to prepare students to successfully pursue meaningful career opportunities. Continuous career development assistance is also available to alumni of the University.

To ensure equal access for all A&T students, Career Services is customer focused and centralizes the functions of full-time employment, summer internships, cooperative education, part-time employment, post graduation employment, and career counseling. (All student recruiting MUST be scheduled through OCS — i.e., interviewing, information sessions, career fairs, etc.) Therefore, if an employer contacts you or your student organization for the express purpose of promoting a company/agency, please refer him/her to the Office of Career Services to assure centralized scheduling and marketing of the visit.

The centralized, comprehensive and progressive programs, services and resources provided by the Office are tailored to be a gateway for the enhancement of the skills necessary to keep the A&T Aggie competitive in the workplace. All students are encouraged to register with the OCS and actively take advantage of the services offered.

OCS is available 24/7 to students, employers and faculty, and online information for parents— either by visiting Room 101 Murphy Hall or online at [www.careerserv.ncat.edu](http://www.careerserv.ncat.edu). The website contains links, which includes information on summer internships and co-ops, What Can I Do With My Major, on-campus interviewing and information sessions. The Office brings over 700 employers to campus and provides more than 15,000 position announcements yearly.
