The Division of Academic Affairs is one of seven (7) major Divisions within the central administrative organization of North Carolina Agricultural and Technical State University. The division is administered through the Office of the Provost and Vice Chancellor for Academic Affairs with the assistance of a senior administrative staff consisting of two vice chancellors, three associate vice chancellors, five assistant vice chancellors, and a special assistant to the provost.

The organization is composed of eight (8) schools/colleges, namely, the [School of Agriculture and Environmental Sciences](#), the [College of Arts and Sciences](#), the [School of Business and Economics](#), the [School of Education](#), the [College of Engineering](#), the [School of Nursing](#), the [School of Technology](#) and the [School of Graduate and Professional Studies](#). Also under the direct supervision of the Office of the Provost and Vice Chancellor for Academic Affairs are the [Office of Planning, Assessment and Research](#), EPA Salary Administration, the enrollment management functions which itself include the offices of the [Registrar](#), Student [Financial Aid](#), [Admissions](#); the academic and administrative computing and communications functions of the [Division of Information Technology](#), the [Academy for Teaching and Learning](#), the [Center for Student Success](#), the [Waste Management Institute](#), the [Bluford Library](#), all [Distance Learning Programs](#), the [Honors Program](#), the [Office of International Programs](#), the [Office of Summer Sessions and Outreach](#), ROTC, [Continuing Education](#), and [Evening/Weekend Programs](#) and the [Band Program](#).

The Provost and Vice Chancellor for Academic Affairs is responsible for reviewing, evaluating and recommending changes in academic policies and programs.

The mission of the Division of Academic Affairs at North Carolina Agricultural and Technical State University is to provide leadership and insure quality in the areas of instruction, research and community service for its publics. Moreover, as a public, comprehensive, land-grant institution, the University and the Division of Academic Affairs are committed to fulfilling its fundamental purposes through exemplary undergraduate and graduate instruction designed to develop students who are effectively prepared to assume leadership roles in their areas of specialization.

A corollary expectation of the Academic Affairs Division is to provide support services to include: faculty development and outreach programs.
