

Chancellor's Advisory Committee for Athletics

Standing Committees

COMPLIANCE COMMITTEE

Committee is charged to: 1) Review cases of possible NCAA or Institutional violations and reporting them to the proper authorities; 2) Forward the facts and evidence to the MEAC and NCAA, if necessary; 3) Recommend institutional action to the Athletics Director; 4) Evaluate policies and procedures as they relate to compliance and eligibility issues and 5) Facilitate the education of the campus community on NCAA rules and regulations.

BUDGET & FINANCE COMMITTEE

Committee is charged to: In consultation with the Athletics Director, Business Manager for Athletics, and the Office of the Vice Chancellor for Business and Finance, prepares annual Department of Intercollegiate Athletics budgets based on realistic projected income and expenditures by sports activities.

EQUITY/STUDENT WELFARE COMMITTEE

Committee is charged to: To assist in the development and implementation of plans in accordance with the NCAA's principles of equity, minority opportunities, protection and enhancement of the physical and educational welfare of student athletes and that student athletes, coaches and all others associated with intercollegiate athletics adhere to such fundamental values as respect, fairness, civility, honesty and responsibility.

ACADEMIC MONITORING COMMITTEE

Committee is charged to: Monitor the progress of student athletes and aid them in making progress toward completion of their degrees, via periodic cohort assessment of athlete's academic performance(s).
