

## ***Aggie Food Service Advisory Committee***

### **Mission Statement**

To foster communication between the students and dining services as well as enhance the overall quality, service and offerings in the dining facilities.

### **Purpose**

The Aggie Food Service Advisory Committee consists of a small group of students, the Director of Auxiliary Services, Assistant Vice Chancellor of Business Services and the General Manager of Sodexo who meet on a regular basis to:

- Consolidate feedback from the students to present to dining services
- Discuss ideas which will improve the overall quality, service and offerings
- Serve as the link between students and dining services
- Assist in the evaluation of dining services
- Educate the student population regarding dining services needs and practices
- Improve menus, programs and services

### **We Need you to BE Involved**

- You are the reason for dining services existence
- We need to know what your tastes and needs are
- To spread the word
- We need your help

# **We Need to Hear from YOU!**
