[Research Services](#) | [Sponsored Programs](#) | [Research Compliance](#) | [Outreach & Tech Transfer](#) | [Research Clusters](#) | [Centers & Institutes](#)

The synthesis of teaching and research is fundamental to North Carolina A&T State University. To that end, the Division of Research & Economic Development (DORED) maintains a balanced and diverse portfolio of basic and applied research programs that are effectively integrated with undergraduate and graduate education.

Over time, these programs have evolved into a number of robust inter-disciplinary [centers and institutes](#), specialized research laboratories and partnerships that sustain the University's core strengths and enhance its competitiveness.

- [Overview](#)
- [Center for Advanced Materials and Smart Structures](#)
- [Center for Autonomous Control and Information Technology](#)
