

**College of Engineering
Faculty Meeting
March 29, 2005**

Minutes

The faculty meeting was presided over by Dr. Joseph Monroe. There were a total of sixty (60) faculty and staff were in attendance.

- I. Call to Order – Dr. Monroe called the meeting to order.

- II. Curriculum Changes –
Note: *Each department presented their proposed curriculum changes. All changes were previously approved by the COE Curriculum Committee and were sent out via email to all faculty. All curriculum changes were approved.*
 - Proposed changes for Electrical Engineering undergraduate – Dr. John Kelly (presenter)
 - Proposed changes for Computer Engineering undergraduate – Dr. Corey Graves (presenter)
 - Proposed changes for Industrial & Systems Engineering undergraduate – Dr. Eui Park (presenter)
 - Proposed changes for CAAE undergraduate and graduate- Ms. Peggy Fersner (presenter)
 - Proposed changes for Computer Science undergraduate and graduate– Dr. Kenneth Williams (presenter)
 - Proposed changes for Chemical Engineering undergraduate– Dr. Vinayak Kabadi (presenter)
 - Proposed changes for Mechanical Engineering undergraduate and graduate – Dr. Sid Wang (presenter)

- III. Sarin gave an update on the email that was sent out on last week regarding possible special funds. The request must be related to recruitment, retention, and students. If funds are available, we will look at replacing computers that are 3 years or older. The money has to be spent and invoiced by June 30.

- IV. Adjournment: The meeting was adjourned at 12:40 pm.
