

Transfer of Credit

Transfer of Credit

No more than six hours of the minimal 30-hour requirement will be accepted from other institutions. A graduate course which has been completed with a grade of "B" or better may be considered for transfer to a master's program provided that it has been completed in a graduate or post-baccalaureate classification at an accredited graduate school. Exceptions are allowed for transfer from foreign institutions if the department or program provides the School of Graduate Studies with adequate documentation that the course is relevant to the degree, with appropriate content and level of instruction resulting in student competencies at least comparable to those of students taking the equivalent course at North Carolina A&T State University, and that the course was taught by faculty who are qualified to teach at the master's degree level. Credit accepted by extension reduces the amount of credit that may be transferred from other institutions.

Transfer of Undergraduate Credit
