

ACADEMIC REQUIREMENT FOR GRADUATE STUDENTS

Requirements for Master's Degrees

A minimum of 30 semester credit hours is required for most master's degrees; however, some programs require more than 30. Also, in order to gain the breadth desired in their program or to make up deficits in their undergraduate degree, many students will actually take more credit hours than the minimum required by the program.

Requirements for Doctor of Philosophy Degrees

A minimum of 24 course credits and 12 dissertation credits beyond the Master of Science are required. Students should consult the departmental handbook for details.
