6.01 GENERAL PRINCIPLE

6.01.1 Institutional Control. The control and responsibility for the conduct of intercollegiate athletics shall be exercised by the institution itself and by the conference(s), if any, of which it is a member. Administrative control or faculty control, or a combination of the two, shall constitute institutional control.

6.1 INSTITUTIONAL GOVERNANCE

6.1.1 President or Chancellor. A member institution's president or chancellor has ultimate responsibility and final authority for the conduct of the intercollegiate athletics program and the actions of any board in control of that program. *(Revised: 3/8/06)*

6.1.2 Athletics Board. A board in control of athletics or an athletics advisory board, which has responsibility for advising or establishing athletics policies and making policy decisions, is not required. However, if such a board exists, it must conform to the following provisions.

6.1.2.1 Composition. Administration and/or faculty staff members shall constitute at least a majority of the board in control of athletics or an athletics advisory board, irrespective of the president or chancellor's responsibility and authority or whether the athletics department is financed in whole or in part by student fees. If the board has a parliamentary requirement necessitating more than a simple majority in order to transact some or all of its business, then the administrative and faculty members shall be of sufficient number to constitute at least that majority. *(Revised: 3/8/06)*

6.1.2.1.1 Administrator Defined. An administrator (for purposes of this legislation) is an individual employed by the institution as a full-time administrative staff member who holds an academic appointment, is directly responsible to the institution's president or chancellor or serves as a chief administrative official (e.g., admissions director, finance officer, department head, or athletics department head). Other nonacademic staff members and individuals who are members of an institution's board of trustees or similar governing body would not be considered to be administrators for purposes of this regulation. *(Revised: 3/8/06)*

6.1.2.1.2 Board Subcommittee. If a board subcommittee is appointed, it is not necessary for the subcommittee to have majority control by administration and/or faculty members (see Constitution 6.1.2.1), provided all actions of the subcommittee are approved by the entire board before becoming effective. However, if the subcommittee's actions are effective permanently or become effective immediately and remain in effect until reviewed by the entire board at a later date, the subcommittee's membership must satisfy the majority-control requirement.

6.1.2.1.3 Attendance. A parliamentary majority of administrators and faculty members of a board in control of athletics is not required to be present at any single meeting in order to conduct business.

6.1.2.2 Chair or Voting Delegate. Only an administrator or faculty member (as opposed to a student, alumnus or governing board member) may serve as chair of a member institution's board in control of intercollegiate athletics or represent the board as the institution's voting delegate at Conventions. Institutional representatives in these positions have responsibility for advising or establishing athletics policies and making policy decisions that require administrative and/or faculty control.

6.1.3 Faculty Athletics Representative. A member institution shall designate an individual to serve as faculty athletics representative. An individual so designated after January 12, 1989, shall be a member of the institution's faculty or an administrator who holds faculty rank and shall not hold an administrative or coaching position in the athletics department. Duties of the faculty athletics representative shall be determined by the member institution. *(Adopted: 1/11/89)*
