Re: Substantive Change Notification: Online Degree
Programs and Joint Curricular Ventures

Dear Dr. Wheelan:

Thank you for reviewing the previous list of online degree programs at North Carolina A&T State University, submitted on July 15, 2008. Attached is the revised list with the requested implementation dates.

As agreed, we have been granted a two-week extension for submission of the joint ventures report on the PhD in Technology Management (now due November 14, 2008). We appreciate the extension.

If additional information is needed on the online degree programs, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Lea E. Williams".
