Mission Accomplishments

A&T today is the largest historically Black university in the state of North Carolina and the second largest in the nation. It is one of the State's two land-grant institutions. A comprehensive university offering degree programs at the baccalaureate, master's and doctoral levels, it has one of three engineering schools in the University of North Carolina. In these and other specialized areas of activity in fields of science and technology, North Carolina A&T State University conducts major sponsored program research activities.

A&T occupies a 181-acre main campus just nine blocks from the heart of metropolitan Greensboro. The University also owns a 600 acre farm and just minutes away from the main Millenium Campus

A&T's strength originates with its academic programs, operated through schools of Agriculture, Business and Economics, Education, Graduate Studies, Nursing and Technology, the College of Arts and Sciences and the College of Engineering.

A well-documented success story of A&T over the years has been her alumni, some 40,000 strong, who have occupied positions of leadership in the communities wherever they have found themselves after graduation.

The University takes an active interest in counseling and guiding its students into attractive careers. A&T is nationally known for its Office of Career Services, which annually attracts more than 1000 recruiters from the nation's foremost corporations and governmental agencies. A recent survey indicated that salaries of the University's graduates rank in the highest percentage among the state's 16 institutions.

Bussey**; **Al Attles**, coach and general manager of the Golden State Warriors professional basketball team; **Lou Donaldson**, internationally known jazz musician; **Brig. Gen. Clara L. Elements of Item (a)(above) may be affected by national organizations of which NCA&T chapters are components; therefore, it is the responsibility of the chapter to secure clearance from its regional (area) or national organization; i.e., some organizations require a higher cumulative average, giving the option to a chapter to use the University's minimum requirement.

Compliance with University minimum requirements for application eligibility does not guarantee that a student will be selected, or voted on for membership in an organization. Beyond minimum requirements, organizations have the right to select their members by criteria approved by the national governing body of the organization and accepted by the University as a fair policy. These differences must be documented in the Office of Greek Life.

The only exception to item (b) (above) shall be for prospective members of the Student Military organizations whose cadets may be part-time NCA&T students; however, their cumulative average at their home University must be at least 2.3.

The University must insure the orderly education process; therefore, no activities of organizations can be disruptive to the function of the University or annoying to persons during the induction of new members. Specific sanctions for group misconduct are cited under "Sanctions for Group Offenses".

Student Conduct Eligibility

A student will be deemed ineligible from participation in any fraternity or sorority if the student does not have a clear judicial record (meaning not currently on probation, suspended, expelled; no case pending; or no major violations-i.e., drugs, assault, harassment, possession/use of a weapon).

UNIVERSITY POLICY ON HAZING

Preamble

Fraternities and sororities are an integral part of campus life at North Carolina A&T State University. They contribute significantly to the quality of student life in a number of ways, such as

- providing a mechanism for students to develop leadership skills through involvement in a variety of programs and activities,
- encouraging and fostering team building and group cohesion and
- striving for academic excellence.

Since these outcomes parallel several University objectives, A&T welcomes the presence of these groups on campus with the clear expectation that they will abide by all applicable university policies and regulations governing their on-campus behavior. To the extent that the activities of fraternities and sororities conform to University expectations, they will continue to enjoy all privileges and courtesies extended to their campus organizations.

However, due to past destructive activities of several fraternities and sororities during the Intake Membership Process, the University is setting forth these hazing penalties and restrictions governing the intake process.

- Criminal prosecution in the court for individual students involved
- University disciplinary action for individual students through the Office of the Dean of Students.
- Sanctions against the organization:
 - First Offense: One-year suspension
 - Second Offense: Two-year suspension
 - Third Offense: Four-year suspension
 - Fourth Offense: Revocation of Chapter's Charter

Elements of Hazing

- Action that recklessly or intentionally endangers the physical safety of students.
- Forced or required consumption of any food, liquor, drugs or any other substance.
- Forced or required participation in physical activities such as calisthenics, exercises or other so-called games.
- Exposure to severe weather.
- Excessive fatigue resulting from sleep deprivation, physical activities, or exercises.
- Assignment of activities that would be illegal (e.g., shoplifting) or unlawful or might be morally offensive to individual initiates.
- Physical brutality, including paddling, striking with fists, or objects.
- Verbal abuse, including berating of individuals.
- Forced or required conduct that could embarrass or adversely affect the dignity of the individual.
- The intentional creation of cleanup work or labor for new initiates by other members or alumni.

HAZING (Taken from North Carolina General Statutes, Chapter 14 (Article 9)

14-35 Hazing; definition and punishment. It is unlawful for any student in attendance at any university, college or school in this State to engage in hazing, or to aid or abet any other student in the

commission of this offense. For the purposes of this section hazing is defined as follows: "to subject another student to physical injury as part of an initiation, or as a prerequisite to membership, into any organized school group, including any society, athletic team, fraternity or sorority, or other similar group." Any violation of this section shall constitute a Class 2 misdemeanor. (1913, c. 169, ss.1,2,3,4; CS., s. 4217; 1969, c. 1224,s. 1; 1993, c. 539, s. 19; 1994, Ex. Sess., c. 24, s. 14(c); 2003-299, s. 1.)

Sanctions for group offenses include but are not limited to the following:

1. **Charter Revocation** - Permanent removal of University recognition.
2. **Charter Restriction** - A temporary removal of University recognition, usually for one semester. Under this sanction the organization may not take part in pledge activities or hold or sponsor events on campus.
3. **Suspension** - A specified period during which the organization cannot use University facilities or participate in any University activities.
4. **Probation** - A specified period during which if the same offense is committed, the organization will be suspended.
5. **Reprimand** - An official notice of censure.

Regarding campus suspensions of fraternities, sororities, and social fellowships

The university makes no distinction between the chapter of a fraternity/sorority/social fellowship and the fraternity/sorority/social fellowship as an entity. The university further recognizes that chapters are not, in fact organizations of their own and that chapters represent to the university the said fraternity, sorority, or social fellowship.

As a result, when a chapter violates campus rules and regulations, in fact the affiliated fraternity, sorority, or fellowship is suspended from the campus. This prohibition includes any identifiable group assembly on campus plots at all times including Homecoming, Commencements, etc.

STUDENT GOVERNMENT ASSOCIATION

Administrative Grant of Power to the Student Government Association

The Authorities of North Carolina Agricultural and Technical State University, having confidence in the ability, character and judgment of the students and believing that participation by them in the affairs of the University Community will be mutually helpful and valuable, have given authority to them to organize the Student Government Association and to adopt the Constitution and By-Laws. Through the structures provided by the University and subject to policies established by the responsible boards and officials of the University, students assist the faculty and administrative officers in the development of programs and policies in matters affecting academic question, student discipline and the general welfare of the A&T Community.

The Purpose of the Student Government Association

The aims of higher education are to aid an individual in realizing his/her potential, and in becoming an effective member of society. The means to this end are independence of thought, active awareness and participation in various academic pursuits. The individual is the center of learning. Therefore, these aims have meaning only insofar as, they relate to the individual. Whatever is done in the educational community must be evaluated in terms of the effect on the student and his/her learning process. The Student Government Association, as the representative of the student community, must be committed to these goals of higher education in order to justify its existence.

To assume the attainment of this purpose, the Student Government Association must assume the following responsibilities:

1. Create an atmosphere of freedom - allowing the student to move beyond the limits of traditional interests; allowing the student to be a creative and contributing individual.
2. Aid in a meaningful interpretation of the concept of the "University Community". Effective communication between members of the University Community is vital to the understanding of this concept.
3. Provide opportunities for each student to participate in activities that develop and realize potentialities.
4. Create awareness of national and international affairs and of their significance for the individual.

Brief Historical Overview for the Constitution of the Student Government Association

The present Student Government Association is an outgrowth of the Student Council of North Carolina Agricultural and Technical State College, which was restructured on September 30, 1935 from an earlier organization by the same name.

The stated purpose of the earlier Constitution was to develop among the students a spirit of cooperation to afford development through self-expression, self-control and leadership, to create a high degree of cooperation between the faculty and students in matters of constructive welfare.

The Constitution of the Student Government Association was restructured and approved by the Board of Trustees in 1968, 1988, 1996.

District No. School/College

1 College of Arts & Science

2 School of Business and Economics

3 School of Education

4 College of Engineering

5 School of Technology

6 School of Agriculture and Environment Sciences

7 School of Nursing

8 School of Graduate Studies

Explanation:

Student Numbers for Fall 2003 (including graduate students):

College of Arts and Sciences: 2,307

College of Engineering: 1,699

School of Business and Economics: 1,415

School of Technology: 1,096

School of Education: 852

School of Agriculture: 672

School of Nursing: 480

School of Graduate Studies: 1509

The formula is $3 + (\% (24))$

Explanation:

3 is the minimum amount of Senators that each section will have regardless of percentages. The approximate number of Senators is 48. Once each school receives 3 Senators the remaining number of positions left is 24.

This is how to reach the %:

With the numbers given for Fall 2003, there are a total number of 10,030 students attending A&T. In order to get the percentages, divide each section's number of students by the total number of students, which is 10,030.

College of Arts and Sciences: .23

College of Engineering: .17

School of Business and Economics: .14

School of Technology: .11

Undecided (Center for Student Success): .13

School of Education: .08

School of Agriculture: .06

School of Nursing: .05

School of Graduate Studies: .15

Plug each decimal into the formula then the number of Senators for each section will be defined.

College of Arts & Sciences $3 + (\% (24)) 8.52=9$ Senators

College of Engineering $3 + (\% (24)) 7.08=7$ Senators

School of Business and Economics $3 + (\% (24)) 6.36=7$ Senators

STUDENT CONDUCT

Statement of Purpose

As an academic community, North Carolina Agricultural and Technical State University has an interest in the safety, welfare and education of the members of this campus and in the promotion of an environment consistent with the educational mission, purpose and operation of the University. Through orientation activities and student-faculty action, the University encourages and promotes organized student life. Additionally, individual and group counseling are made available through Counseling Services, the Student Health Center, Veterans and Disability Support Services, and Special Services.

Statement of Policy

Students voluntarily enter North Carolina Agricultural and Technical State University and are obligated to perform and behave in a manner relevant to the University's lawful mission, process and function. These expectations of students in an academic community are higher than those expected of citizens in a non-academic community. The process by which the University community educates students who violate the community standards of the **Student Conduct Regulations** is through disciplinary counseling and the imposition of sanctions, including the possible separation from the University. The goals of this educational process are as follows:

1. To educate the student by explaining the reasons for the community standard.
2. To bring the student's behavior into compliance with the community standard.
3. To have the student maturely accept accountability for his or her behavior.
4. To help clarify the student's values as they concern the behaviors in question.
5. To assist the student in making future choices that will enable him or her to assume later adult roles.
6. To help the student consider in advance the consequences of his or her behavior.
7. To determine with the student the reason(s) for the mis-conduct.
8. To protect the safety and welfare of the University community.

The procedures and processes given in the **Student Conduct Regulations** are not intended to be equivalent to the process of federal or state criminal law. Criminal processes and procedures are designed for circumstances unrelated to the academic mission of the University.

In exercising its disciplinary authority, the University is committed to the principle of equal treatment including a like sanction for a like violation without regard to race, color, sex, religion, national origin, age, handicap, marital status or veteran status.

It is the prerogative of the Vice Chancellor for Student Affairs and the Chancellor, to interpret and apply the provisions of the **Student Conduct Regulations**. In making decisions, the rights of the student and the needs of the University in accomplishing its educational goals and mission will be considered.

The provisions of the **Student Conduct Regulations** are contractual covenants between the University and the student. The University reserves the right to change procedures herein at any time within a student's term of enrollment. Such changes will be communicated to members of the University community through appropriate publications including current revisions made to the web version of the Student Handbook. Each student is responsible for maintaining current knowledge of disciplinary rules and regulations at all times.

The University has jurisdiction over all behavioral infractions that occur in University facilities on property owned, controlled or used by the University. It reserves the right to consider the behavior of students off campus when it is determined that the off-campus behavior interferes with the University and its educational mission. The Vice Chancellor for Student Affairs shall make this judgment on a case-by-case basis. He or she will determine when the University's educational interests are adversely affected.

Instances of student misconduct may or may not also constitute offenses against the larger community. The fact that a student is or has been prosecuted in civil court for a violation of law does not preclude University jurisdiction over the misconduct. Civil authorities are not precluded from taking action against students for on-campus violations of public laws. University police officers are deputized by the State of North Carolina and have full enforcement and arrest powers of police officers. The University police officers are empowered to arrest students and other persons who violate state, local and/or campus laws while on the campus of North Carolina Agricultural and Technical State University.

There are two (2) formal processes that govern student conduct regulations – **Misconduct Prohibited by the University** and the **Academic Dishonesty Policy**. Ethical or professional standards may also be found in an academic department, school or college. All violations of misconduct prohibited by the university are reported to the office of the Vice Chancellor for Student Affairs who has the authority to delegate to certain persons and bodies of the University community for the purpose of implementing approved policies and procedures. See Section II for guidelines regarding violations of the Academic Dishonesty Policy. By action of the Board of Governors of the University of North Carolina, the Chancellor has the ultimate authority in the regulation of student conduct.

Student Rights and Responsibilities

Any student who commits an act of academic dishonesty is subject to disciplinary action as defined below.

In instances where a student has clearly been identified as having committed an academic act of dishonesty, the instructor may take appropriate punitive action including a loss of credit for an assignment, an examination or project, or awarding a grade of "F" for the course subject to review and endorsement of the chairperson and the dean. Repeated offenses can even lead to dismissal from the university.

Student Appeals on Academic Dishonesty

A student who feels unfairly treated as a result of an academic dishonesty matter may appeal the action in writing to the **University Judicial Tribunal**. The written notice of appeal must be submitted within one week (seven calendar days) of the date of the decision to the Chairperson of the University Tribunal. For the current chairperson, contact the Office of the Dean of Students.

UNIVERSITY JUDICIAL PROCEDURES

Allegations of Misconduct and Filing of Charges

If a student observes another student committing a violation of the **Student Conduct Regulations**, or is the victim of a crime, he or she may inform a faculty member, staff member or University police officer who will make a written report to the Vice Chancellor for Student Affairs for violations of the Student Code or in cases of Academic Dishonesty, the Provost/Vice Chancellor for Academic Affairs, or their designee. The student reporting the violation would be expected to appear and testify at any resulting judicial proceedings. This requirement may be waived in exceptional cases where the identity of the person reporting the violation needs to be protected.

Review by the Vice Chancellor for Student Affairs (in cases of Misconduct Prohibited by the University)**

All misconduct is reported to the Vice Chancellor for Student Affairs who will review the charges. There are several options for the resolution of disciplinary matters and it is the prerogative of the Vice Chancellor for Student Affairs and/or his/her designee to determine which judicial board will consider the charges based on the type of violation(s), the caseload of the judicial boards and other factors.

1. The Vice Chancellor for Student Affairs may refer the reported violation to the Office of the Dean of Students to conduct a preliminary investigation and bring closure to the matter or to determine if the evidence of the offense warrants further action.
2. In instances of minor offenses in either Student Affairs or residential jurisdictions, sanctions will be assigned at the discretion of the Dean of Students without resorting to a hearing. In some instances the student will be notified in writing (warning letter) that an infraction has been reported and his or her behavior is being monitored for a specific period of time.
3. The Vice Chancellor for Student Affairs or the Dean of Students may assign the case to an Administrative Hearing or to the Student Judicial Council. The University Tribunal hears all cases referred to it by the Chancellor, Vice Chancellor for Student Affairs, or Office of the Dean of Students concerning action against students or charges of violation of University Rules and Regulations.
4. In special circumstances, the Vice Chancellor for Student Affairs may suspend a student charged with violating Student Conduct Regulations for an interim period prior to the outcome of a full disciplinary hearing based on the merits of the charge.

** (See the section on Academic Dishonesty for violations of academic dishonesty.)

3. To be notified at least five (5) days prior to the hearing in order to prepare a defense.
4. To offer in defense evidence and witnesses and to question witnesses or evidence presented.

6. To receive in writing the disposition of the case.
7. To appeal.
8. To waive any of these rights. A "guilty" plea represents a waiver of all hearing rights of the accused.

Rights of Persons Bringing Charges

1. The right to file criminal charges or seek civil action in a court in addition to any action taken through the judicial system at North Carolina Agricultural and Technical State University.

Waiver of Rights to a Hearing

In the case of Student Conduct Regulations after being informed of the charges and his or her rights, including the right to a hearing, a student may decide to voluntarily waive this right and request that a resolution of the charges be made by the Dean of Students.

In the cases of Misconduct Prohibited by the University, to request that charges be settled without a formal hearing before a judicial committee, the student shall do the following:

1. Meet with the Dean of Students to discuss the charges.
2. Present a guilty plea to the charge(s) of misconduct under the Regulations.
3. Agree to accept the sanction to be imposed.
4. Agree to a waiver of right to a hearing.

The Dean of Students may decline the student's request for a waiver of hearing. If the student's request is declined, the student shall be referred to a judicial board.

If the Dean of Students agrees to the request for a waiver of hearing, any sanction or sanctions imposed will be governed by the principle of "like sanction for like violation."

Records

1. Records shall be created for all reported cases of student misconduct.
2. Disciplinary records are confidential and shall not be released without the student's consent; except to such persons functioning in their official University capacity on a need-to-know basis.
3. All disciplinary records are the property of the University. Violations of Misconduct Prohibited by the University are maintained in the office of the Dean of Students whereas violations of the Academic Dishonesty Policy are maintained in the Division of Academic Affairs. The University reserves the right to maintain these records for any length of time depending on the severity of the infraction. Records of minor offenses are generally destroyed after a two-year period while major offenses involving criminal charges or suspensions and expulsions can be maintained indefinitely.
4. A tape recording shall be made of every judicial board hearing. The tape recording shall be the property of the University and shall be kept for a one-year period before being erased. Neither the complainant nor the accused will be allowed to make a separate recording of any type. Under no circumstances will a copy of the recording be released except in the case of an appeal of a judicial decision wherein an attorney issues a court ordered subpoena.

Referral to a Judicial Board

Student conduct that contradicts basic interests and policies of the University community will be addressed under hearing procedures designed to facilitate fair and impartial resolution. Hearing panels, unlike courts, engage in a full discussion of charges and circumstances. In cases of violation of Student Conduct Regulations, North Carolina Agricultural and Technical State University has three (3) formal hearing bodies, namely Administrative Hearing Panel, University Tribunal, and the Student Judiciary Council. The Vice Chancellor for Student Affairs and/or the Dean of Students makes the determination as to which hearing body a particular case will be assigned. This is based on the type of violation(s), the caseload of judicial boards, and other factors. **(Regarding violations of Academic Dishonesty, hearing panels may vary within the School or College - see Section II).**

Administrative Hearing - An Administrative Hearing shall consist of The Dean of Students/or designee and two other Student Affairs administrators designated by the Vice Chancellor and/or the Dean of Students.

The Dean of Students or designee shall preside over the hearing and a consensus of the three members shall be required to decide any issue of fact or sanction.

Student Judiciary Council - The Student Judiciary Council is described under Article XIII, of the Student Government Association Constitution.

University Judicial Tribunal - The University Judicial Tribunal shall consist of a pool of ten (10) members evenly divided between students and faculty. The Chancellor of the University shall select the members. The Chairperson shall be of faculty rank and shall preside over the hearing. He or she shall be a non-voting member of the Tribunal, except in the case of a tie vote. A majority vote of the panel shall be required to decide any issue of fact or sanction. A majority of the members of the Tribunal, including the Chairperson, must be present to constitute a quorum.

NOTE: In some incidents involving two or more people in conflict with each other, **mediation** - an alternative method of dispute resolution - may be employed with the voluntary consent of those involved and a mediator who serves as a neutral facilitator of the problem-solving process.

Hearing Notification

All charges of misconduct referred to a hearing body are heard as promptly as circumstances will permit. Judicial proceedings will be initiated as follows:

1. The student shall be informed of the charges in writing by mail or hand delivery by a University official, and notified of the time, date and place to appear before a specific judicial board. In certain instances a student may be notified of a hearing by telephone. The notifications for judicial hearing are delivered at least five (5) calendar days prior to the hearing except in certain cases when time is of the essence or extenuating circumstances prevail. The student may choose to waive his or her right to a hearing by the method described under Waiver of Rights to a Hearing.
2. In the case of Student Conduct Regulations, based on the type of charge(s) and information available, the Vice Chancellor for Student Affairs or Dean of Students may decide to have a pre-hearing

conference in which case the student would be notified by telephone or a hand delivered letter.

Conduct of all Hearings & Appeals

All judicial hearings shall be conducted according to the following form:

1. Introductions
2. Reading of the regulatory statements that govern process and behavior during a hearing (see Student Handbook sections on "presence of advisor and observers at hearing" thru "decision")
3. Reading of charge(s) and pleading thereto
4. Presentation of case by person bringing charges (complainant)
5. Presentation of case by student charged (accused)
6. *Testimony of witness (es) for complainant
7. *Testimony of witness (es) for accused
8. Questions by members of hearing body to any participant of the hearing to include witnesses
9. Opportunity for final statement by complainant and accused

*Three(3) material witnesses may offer evidential information relative to the incident, whereas there may also be submitted three (3) character witnesses or three (3) signed written character letters. Character witnesses are used only for sanctioning purposes and not for finding of responsibility.

Presence of Advisors and Observers at Hearings

Students charged with misconduct or those bringing charges have the right to appear alone or with any other person of their choice to advise and assist them other than an attorney, except if the offense charged is also the subject of pending criminal charges. In this case, the attorney may not participate but may confer with the student during the hearing so long as the attorney does not address the hearing official or committee, other parties or witnesses and does not delay or disrupt the proceeding. In addition to an advisor, a student shall be accompanied by not more than three other persons. These persons shall have no official status before the judicial board; they are merely observers of the proceedings and may not address the judicial board nor conduct examination or cross examination of any witness.

Evidence and Burden of Proof

Rules of evidence and procedures may differ from proceedings before civil authorities. Unlike courts, University hearing panels engage in a full discussion of charges and circumstances. Irrelevant or unduly repetitious evidence shall be excluded at the jurisdiction of the chairperson. A decision shall be reached on the basis of the preponderance of evidence with the burden of proof on the person bringing charges (complainant).

Confidentiality of Deliberations

Information generated in the course of disciplinary proceedings will be given the full extent of confidentiality accorded by law to a student's educational record. Any person, who, without authorization, reveals such information, will be subject to disciplinary action.

Deliberations

Panel members will assemble and make a determination of the guilt or innocence of the accused that is based solely on the evidence presented at the hearing. If culpability of the accused is determined, the hearing panel will recommend an appropriate sanction or sanctions to the hearing officer (chairperson).

Decision

The hearing officer makes decisions on sanctions except when the panel recommends expulsion or suspension. In cases where there is a violation of the Misconduct Prohibited by the University and suspension is recommended, the hearing officer forwards the panel recommendations to the Vice Chancellor for Student Affairs for review, evaluation, and a decision. In cases of Academic Dishonesty and suspension is recommended, the College or School forwards the recommendation to the Office of the Provost /Vice Chancellor for Academic Affairs for review, evaluation, and a decision. Whenever expulsion is recommended regarding violation of any form of student conduct, the recommendation is forwarded to the Chancellor for a decision.

Decision Deferred

In cases where a panel or hearing officer believes additional information is needed prior to decision or sanction, the case may be referred for assessment or evaluation by internal or external agencies. In such cases, the final decision on the case shall be deferred until such time as the requested assessment or evaluative information can be obtained.

Notice of Decision

Within ten (10) calendar days of the date the decision is made, the hearing officer will provide certified or hand-delivered written notification of the decision to the accused.

Parental Notification

Pursuant to the 1974 FERPA law, parents or guardians/sponsors are sent written notification, without the student's consent, regarding students under the age of 21 who are in violation of campus and/or state alcohol and drug policies or if there is an indication of imminent danger to one's well-being or that of the university community.

Sanctions

The primary purpose of sanctions in the University setting is to provide incentive and opportunity for rededication of the offender. Except in the case of serious offenses, such as those involving intentional infliction of injury, drug violations, etc., sanctions imposed through the judicial proceedings may be tailored to suit the circumstances of each offense.

Sanctions of expulsion and suspension affect the student's academic status at the University. In order that students under suspension not contravene the terms of penalty, the offices of Admissions, Cashier, Financial Aid, Graduate School, Registrar, Residence Life and University Police will be notified in writing. No credit earned at another institution during the suspension period shall be transferred to North Carolina Agricultural and Technical State University. A student under expulsion or suspension is subject to arrest for trespassing if found on University property. **A student who is suspended or expelled from the University for disciplinary reasons is not eligible for a refund and forfeits any funds previously paid.**

A student who loses campus- housing privileges for disciplinary reasons and has concerns about the financial ramifications of such should contact the Office of Housing and Residence Life for guidelines and shall be governed by those guidelines.

Scheduled university judicial hearings will be held in absentia if the student fails to present him/herself at the scheduled hearing. The administrative hearing body will convene and make a decision based on the evidence at the hearing.

Furthermore, in the case of a student's failure to appear for a hearing, the evidence against the student will be considered and a decision will be based on that evidence.

Should a sanction result from a student's failure to present himself or herself for adjudication of a charge, the offices of Admissions, Cashier, Financial Aid, Graduate School, Registrar, Residence Life and University Police will be notified in writing and the student's transcript will not be released to persons outside the University until the student answers to the charge.

Any one of the following sanctions or their combinations may be imposed:

1. **Expulsion** permanently severs the relationship of the student with the University. With recommendation of a hearing panel, it will be imposed and can only be rescinded by the Chancellor. This penalty will likely prevent a student's admission to any other institution of higher education.
2. **Indefinite suspension** severs the relationship of the student with the University with no date established for the student to return. A date at which time the student may request reinstatement can be established or may be contingent on a student fulfilling one or more stipulations (e.g. resolution of criminal matters pending in the courts, psychological evaluation).
3. **Interim suspension** calls for the immediate removal of a student from the University when there is reasonable cause to believe that the alleged misconduct is of such a serious nature that his or her continued presence at the University is potentially dangerous to the health and safety of the University community, its property or its educational mission.
(In cases of violations of the Student Conduct Regulations, to invoke interim suspension, the Vice Chancellor for Student Affairs or his/her designee will conduct a preliminary investigation and hearing with the student - if possible. In cases of Academic Dishonesty, the Provost/Vice Chancellor for Academic Affairs or his/her designee will conduct such an investigation. At the time, the student will be informed of the charges and given the opportunity to explain the circumstances.)
4. **Suspension** severs the relationship of the student with the University for a finite period, the terminal date of which coincides with the official ending of an academic semester or summer session.
5. **Disciplinary Probation** is a period of close scrutiny of a student by the University during which his or her conduct is under review. Disciplinary probation is imposed for a specified period of time, the terminal date of which coincides with the official ending of an academic semester or summer session. Failure to meet the requirement of the probation or further infraction of University policy may result in more severe sanctions including suspension or expulsion from the University. Individuals on Disciplinary probation are not eligible to hold office or obtain membership in any student group or organization; or may not be eligible for certain employment positions or participation in other campus programs.
6. **Warning** is an official reprimand, which by formal written communication, gives official notice to a student that any subsequent offense against the **Student Conduct Regulations** will likely result in more severe consequences. In cases involving violations of the Student Conduct Regulations, a copy of the letter is contained in files of the Division of Student Affairs or in the case of Academic Dishonesty, the Vice Chancellor for Academic Affairs and will be available as evidence of relevant past behavior to hearing panels.
7. In addition to the above, any one or a combination of the following may be recommended by a judicial hearing board and/or imposed by the Vice Chancellor for Student Affairs or Dean of Students in Student Conduct Regulations or in cases of Academic Dishonesty, the Provost/Vice Chancellor for Academic Affairs:
 - a) Requirement of participation in community service
 - b) Restitution, where applicable
 - c) Loss of Campus Housing
 - d) Official notice that conviction of any other violation of the **Student Conduct Regulations** will result in suspension
 - e) Prohibited from participating in organized groups or activities

- f) Counseling
- g) Conflict Management Training

*The penalties listed above are examples only and do not limit the discretion of judicial officers.
Students placed on suspension or expulsion are placed in the UNC Statewide Database, per state requirements.*

Students that are suspended must apply for readmissions. After the proper reviews of submissions of all items specified in the sanction letter, the student will be notified when to contact the Office of Admissions about the readmissions process if he/she desires to return to North Carolina A&T. Readmission rules, regulations, and decisions are governed by the Office of Admissions; The Division of Student Affairs nor the Office of the Dean of Students re-admit students.

APPELLATE PROCEDURES

At North Carolina A&T State University there are three (3) Appellate Boards as described below:

1. **Vice Chancellor for Student Affairs** – The Vice Chancellor for Student Affairs hears all appeals of Misconduct Prohibited by the University.
2. **University Judicial Tribunal** - The University Judicial Tribunal hears all appeals involving Academic Dishonesty. This tribunal shall consist of a pool of the ten (10) members evenly divided between students and faculty. The Chancellor of the University shall select the members.

The Chairperson of the University Tribunal shall be of faculty rank and shall preside over the hearing. He or she shall be a non-voting member of the Tribunal, except in the case of a tie vote. A majority vote of the panel shall be required to decide any issue of fact or sanction. A majority of the members of the Tribunal, including the Chairperson, must be present to constitute a quorum.

3. **Student Supreme Court** – The Student Supreme Court (see SGA Constitution, Article XIII, Section 3) hears all appeals from the Student Judiciary Council involving infractions within the residence halls.

Basis for Appeal

A student may appeal the outcome of a hearing if the student can provide clear and convincing new evidence or that procedural due process was violated. A written notification of the charges, rights of the student, and date, time, and place of the hearing constitutes procedural due process. If an appeal is upheld in cases involving appeals by students who have violated the Student Code of Conduct (Misconduct Prohibited by the University) the Chancellor (in cases involving suspension or expulsion) or the Vice Chancellor for Student Affairs (cases other than suspensions or expulsions) may either:

1. Reduce, change, or dismiss the sanctions of the original hearing body;
2. Remand the case back to the original hearing body.

Filing the Appeal and Timing

The Student should provide a signed statement, clearly outlining the specific grounds and all supporting facts upon which the appeal is based. Where a student group makes an appeal, the president or chief officer's signature will be required. In cases of violations of the Student Conduct Regulation, the appeal should be addressed and delivered to the Vice Chancellor for Student Affairs within one week (seven calendar days) after notification from the original hearing committee. Academic Dishonesty Appeals are made to the Chairperson of the University Tribunal.

Process of Appeal

The Vice Chancellor for Student Affairs will receive and review all initial appeals regarding Violations of Misconduct Prohibited by The University. The University Tribunal receives all initial appeals of Academic Dishonesty. In cases which do not involve suspension or expulsion from the University, the appeals process will conclude with the Vice Chancellor for Student Affairs regarding Misconduct Prohibited by The University and in the case of Academic Dishonesty Violations, the University Tribunal. The Vice Chancellor for Student Affairs or the Chairperson for the University Tribunal will call in any appropriate parties necessary to assist in making the final decision.

In appeal cases involving suspension or expulsion, the Vice Chancellor for Student Affairs (for Violations of Misconduct Prohibited by The University) or the Provost/Vice Chancellor for Academic Affairs (for Academic Dishonesty Violations) will forward the appeal to the Chancellor of the University. The Chancellor will call in any appropriate party necessary to assist in making the final decision.

The next level in the appeals process after the Chancellor's decision would be made to the University's Board of Trustees and the final avenue of appeal would conclude with the Board of Governors. The exception to this would be if the appeal is based on a claim of procedural due process and fair hearing. In accordance with The Code of the Board of Governors Section 502D(3), the appeal after the Chancellor's ruling concerning due process and fair hearing claims must be forwarded to the President of the University of North Carolina for review of the proceedings.

Important Note: It will be at the discretion of the Vice Chancellor for Student Affairs and the Chancellor as to whether or not a student remains under suspension pending the outcome of the appeal. Factors that will be considered include the nature of the violation, interference with the University's educational mission and the safety and welfare of other members of the University community.

UNIVERSITY POLICY AND EXCERPTS FROM N.C. GENERAL STATUTES ON SPECIFIC CRIMES SECTION

Sexual Assault Policy Statement

North Carolina Agricultural and Technical State University will not tolerate affronts to basic human dignity in any form. Rape, sexual offenses, and sexual assault in general represent such affronts. Moreover, these activities represent criminal violations of law and allegations of such activities by students and employees of the University will be investigated fully. The individual(s) affiliated with the University who are found guilty of committing these prohibited acts at locations on or off the campus will be subject to all available courses of disciplinary action, in addition to any and all penalties for violating state law.

The penalty for first-degree sexual offense and first-degree rape may be life imprisonment. For the second-degree of these offenses, the maximum penalty is twenty years imprisonment.

In North Carolina, the crime of rape is legally defined in the first and second degrees. A person is guilty of rape in the first degree if the person engages in a sexual act:

- 1) With a victim who is a child under the age of 13 years and the defendant is at least 12 years old and is at least four years older than the victim; or
- 2) With another person by force and against the will of the other person, and;
 - a) Employs or displays a dangerous or deadly weapon or an article which the other person reasonably believes to be a dangerous or deadly weapon or an article.
 - b) Inflicts serious personal injury upon the victim or another person.
 - c) The person commits the offense aided and abetted by one or more other persons.

Any person who commits an offense defined in this section is guilty of a Class B1 felony.

(1979, c. 682, s. 1; 1979, 2nd Sess., c. 1316, s. 6; 1981, c. 63; c. 106, ss. 3, 4; c. 179, s. 14; 1983, c. 175, ss. 5, 10; c. 720, s. 4; 1994, Ex. Sess., c. 22, s. 3.)

A person is guilty of rape in the second degree if the person engages in vaginal intercourse with another person;

- 1) By force and against the will of the other person; or
- 2) Who is mentally defective, mentally incapacitated, or physically helpless, and the person performing the act knows or should reasonably know the other person is mentally defective mentally incapacitated, or physically helpless.

Any person who commits the offense defined in this section is guilty of a Class C felony.

(1979, c. 682, s. 1; 1979, 2nd Sess., c. 1316, s. 5; 1981, cc. 63, 179; 1993, c. 539, s. 1130; 1994, Ex. Sess., c. 24, s. 14 (c).)

The "force" necessary to convict for rape may be other than physical force. It may be fear, fright, or coercion. Those who aid or abet a rape may be equally guilty of the crime. Also, forced sexual intercourse with a person who is physically helpless, as from overuse of alcohol, constitutes rape under North Carolina Law.

"Acquaintance Rape" and "Date Rape" are terms commonly used to describe forced intercourse by a person on another that he or she knows. However, the social relationship with an individual does not make "forced" sexual activity legal.

A sexual offense is a forced sexual act by a person of either gender where the act is against the will of the victim. This crime may not involve intercourse but does involve other sexual acts.

The University supports the idea that all students and employees must be able to learn and work in an environment free of sexual assault. Sexual assault is broadly defined as oral, anal or vaginal penetration of an unwilling party by any body part or other object. This includes parties who are physically helpless such as unconscious, asleep, physically unable to communicate their unwillingness or persons to whom narcotics have been administered rendering the person unable to give consent to such activity. Sexual assault does not include procedures done for bona fide medical purposes.

Moreover, the University views sexual assault as an extremely serious matter and will respond in accordance with the guidelines established herein and in the handbooks for faculty and staff members. In each case, the potential for subsequent harm to the victim or community at large weigh heavily in the sanctions for violators, and the policies of the institution include sanctions as serious as expulsion from the University.

1. **Expulsion** permanently severs the relationship of the student with the University.
2. **Indefinite suspension** severs the relationship of the student with the University with no date established for the student to return.
3. **Interim suspension** calls for the immediate removal of a student from the University when there is reasonable cause to believe that the alleged misconduct is of such a serious nature that his or her continued presence at the University is dangerous to the health and safety of the University community, its property or the educational mission.
4. **Suspension** severs the relationship of the student with the University for a finite period, the terminal date of which coincides with the official ending of an academic semester or summer session.
5. **Probation** is a period of close scrutiny of a student by the University during which his or her conduct is under review.
6. **Warning** is an official reprimand, which by formal written communication, gives official notice to a student that any subsequent offense against the student conduct regulations will likely result in more serious consequences.
7. In addition to the above, any one or a combination of the following may be recommended by a judicial hearing board and/or imposed by the Vice Chancellor for Student Affairs or The Dean of Students.
 - (a) Requirement of participation in community service
 - (b) Restitution where applicable
 - (c) Exclusion from University Residence Halls or Houses
 - (d) Official notice that conviction of any other violation of the **Student Conduct Regulations** could result in suspension from the University
 - (e) Prohibited from participating in organized groups or activities, and
 - (f) Counseling if necessary

Complaint Procedure

Any student, faculty member or staff member who believes he/she has been the victim of rape, sexual assault or other sexual offenses is encouraged to call the University Police Department (telephone number – 334-7675). To assist victims of such violent, aggressive and hostile crimes, the University Police Department requests that you do the following:

- In the call to the Police Department; give as much detail as possible concerning your location, injuries and suspect information.
- Remain dressed in the same clothing. Viable evidence linking the suspect to the crime can be found on the clothing.
- Do not bathe or destroy any evidence.
- Seek medical treatment for your own protection and the collection of evidence.
- When possible, secure the area (dormitory room, vehicle, office, etc.) and do not let anyone interfere with evidence.

Rape and sexual assault can be both physically and emotionally damaging, thus, our University Police have the victim's well being as a primary concern and have been trained to treat the victim with respect, dignity and sensitivity. Also, Counseling Services and Student Health Services professionals are available at the University to help victims of sexual assault. These departments are especially well prepared to assist individuals with both their medical and emotional needs.

Sexual assault victims also have the option of calling the Greensboro Police Department (373-1000). When filing a formal report with the Greensboro Police Department, the University Police department should also be notified regarding the incident. The University Police cooperate fully with the city police in the investigation of campus crimes and therefore will be very resourceful in the search for suspect(s) in the campus setting. Also the University police work in close coordination with the Division of Student Affairs and its Counseling Services to provide assistance to victims of sexual assault.

Any campus official receiving a complaint about sexual assault with reason to believe a criminal offense has occurred will notify the University Police department for the necessary documentation and follow-up. Also, the reports of sexual assault that are made directly with the campus police will be coordinated with the appropriate departments and administrators of the University for action. However, the victim's identity and all information concerning the offense will be held in strict confidence by the authorities of this institution. Information regarding the name or address of a victim will not be communicated, broadcast, printed or published by the University without the consent of the victim, except as required in connection with a police investigation or by direction of a lawful court order.

PROCEDURES FOR ON-CAMPUS DISCIPLINARY ACTION IN CASES OF ALLEGED STUDENT TO STUDENT SEXUAL ASSAULT

Sexual assaults include rape, attempted rape, corruption of a minor, sexual battery, attempted sexual battery, and public indecency. Rape is defined as sexual penetration, no matter how slight, of the genital, anal, and/or oral openings of the victim by any part of the perpetrator's body or by the use of an object, without or against the victim's consent. Sexual battery is defined as intentionally touching the victim's intimate parts (primary genital area, including but not limited to the groin, inner thigh, buttock, or breasts) without or against the victim's consent. This touching is either directly on the body or on the clothing covering that body part. It is also sexual battery if the victim is forced to touch the intimate parts of the perpetrator.

Sexual assault occurs when the act is intentional and is committed either by a) physical force, violence, threat or intimidation; b) ignoring the objections of another person; c) causing another's intoxication or

impairment through the use of drugs or alcohol; or d) taking advantage of another person's incapacitation, state of intimidation, helplessness, or other inability to consent.

These procedures cover cases involving student on student and students against non-students committed on university-owned property or leased property, at any University sanctioned function, at the temporary or permanent local residence of a university student, faculty member, employee, or visitor, or in the city of Greensboro or Guilford County.

Any student who has been sexually assaulted may seek redress through the campus student judicial system if the accused is also an enrolled student at the University. Note: (Cases involving faculty/staff assault against a student are to be reported to either the Director of Human Resources, the Affirmative Action Officer in Academic Affairs, or the University Police)

Such redress may be in conjunction with or in place of pressing charges with criminal authorities or filing civil actions. Once the report is made and forwarded to the Vice Chancellor for Student Affairs, an investigation will be initiated, with the consent of the victim. If, however, the incident poses a significant threat to the campus community, an investigation will ensue without the consent of the victim.

Limited expansion of off-campus jurisdiction

The university reserves the right to consider the behavior of students off campus when it is determined that the off-campus behavior interferes with the University and its educational mission.

North Carolina A&T State University adheres to the "Campus Sexual Assault Victim's Bill of Rights" which is a part of the Higher Education Amendments of 1992 as outlined below:

1. The accuser and accused must have the same opportunity to have others present at the campus judicial hearing.
2. Both parties shall be informed of the outcome of any disciplinary proceeding.

(Note: Compliance with this statement does not constitute a violation of FERPA. For purposes of this sentence, the outcome of the disciplinary proceeding means only the institution's final determination with respect to the alleged sex offense and any sanction imposed against the accused).

1. Victims shall be informed of their options to notify law enforcement.
2. Victims/Survivors shall be notified of counseling services.
3. Victims/Survivors shall be notified of options for changing academic and living situations.

Furthermore, if the accused is found guilty, the victim has the right to make a "victim impact statement" and to suggest an appropriate penalty.

Any student enrolled at North Carolina A&T who is accused of sexual assault, will be afforded full procedural due process in the investigation and adjudication of his/her case. This includes the right to the presumption of innocence until proven guilty and the privilege against self-incrimination. However, immediate suspension (prior to a hearing) of the accused will occur if the Vice Chancellor for Student Affairs concludes that the continued presence of the person at the University constitutes clear and present danger to the health or welfare of other members of the University Community.

A judicial hearing will then be scheduled by the Office of the Dean of Students as expeditiously as possible.

GUIDELINES IN REGARDS TO DISCIPLINARY PROCEDURE FOR SEXUAL ASSAULT

1. Any student accused of sexual misconduct will receive notice of the complaint and a copy of the complainant's written statement, if any, no less than ten days before it is scheduled to go before an administrative hearing panel.
2. The accused student will be advised that he/she is presumed innocent and is expected to cooperate in the investigation of the complaint.
3. The prior sexual history of either party is not admissible in the hearing except testimony submitted by a party concerning his or her own sexual history. In addition, prior sexual history can not be used for finding of responsibility, however prior sexual history may be used in sanctioning.
4. Hearing procedures and sanctions are fully described in the Student Conduct section of the Student Handbook. The severity of the offense and the potential for subsequent harm to the vict/survivor or the community at large weigh heavily in sanctioning actions taken in such cases.
5. The victim's/survivor's identity and all information surrounding the case are held in strict confidence by all hearing authorities and service providers under the guidelines of FERPA; however, the university cannot guarantee confidentiality.

Sexual Harassment Policy

The policy of North Carolina Agricultural and Technical State University is that all employees and students, regardless of race, color, religion, sex or national origin, shall be free from sexual harassment from any University employee or fellow student in connection with any University relationship or activity. No academic or personnel decision shall be made on the basis of a granting or denial of sexual favors. All employees and students are guaranteed the right to work and/or study in an environment free from sexual harassment. (See Appendix B – "Sexual Harassment Policy".)

University Policy and Procedures Concerning Weapons on Campus

The possession or use of a weapon on university or university-owned property is in violation of the student code of conduct and N.C. General Statute 14-269.2 pertaining to weapons on campus or other educational property. This policy does not contravene with any parts of NC General Statutes. 5. Anyone who drink alcoholic beverages will be held accountable for their behavior. Irresponsible drinking will not be accepted as an excuse for irresponsible behavior. Such behavior will result in judicial action and/or notification to parent or guardian.

UNIVERSITY DRUG POLICY

North Carolina Agricultural and Technical State University strives to provide an educational environment that enhances and supports the intellectual process. The academic communities, including students, faculty and staff have the collective responsibility to ensure that this environment is conducive to healthy intellectual growth. The illegal use of harmful and addictive chemical substances poses a threat to the educational environment. Each member of the University family is reminded that in addition to being subject to University regulations and sanctions regarding illegal drugs, they are also subject to the laws of the State and of the nation. This policy has been developed in accord with *The University of North Carolina Policy on Illegal Drugs*, adopted by the Board of Governors January 15, 1988. It establishes the framework for programs designed to educate the campus community on the harmful effects of illegal substances and to assist afflicted persons in their efforts to become rehabilitated. It also provides guidance for punishing violators.

ZERO TOLERANCE FOR DRUGS POLICY

1. Any student who is charged, as a first offense, with the use and/or is in possession of marijuana (or any other illegal drug) on campus will immediately lose campus housing privileges and will be required to appear before a campus judicial board.
2. A second offense will result in immediate suspension from the University.
3. Felony possession of marijuana (or any other illegal drug) will result in immediate suspension from the University.
4. Any student convicted of possession or sale of a controlled substance under federal or state law will lose eligibility for Student Financial Aid assistance.

CELL PHONE USAGE POLICY IN THE CLASSROOMS

The use of cell phones inside the classroom during the classroom period is prohibited. Please be advised that placing or receiving calls as well as conversing on cell phones during the conduct of a class shall be considered as disruptive behavior for students and unprofessional behavior for faculty and staff.

ENDANGERING ONE'S OWN PHYSICAL WELL BEING

Students who endanger their own physical well being or disrupt the campus community, including threatening or attempting suicide, may be intermly suspended from the residence halls and/or the University. To be considered for reinstatement to the residence halls and/or the University, the student may be required to provide the Dean of Students Office with a Psychiatric Evaluation Form completed and signed by a licensed mental health professional indicating that the student is not a threat to him/herself or the campus community. Additionally, the parents, legal guardian, and/or Student are advised that threatening and/or attempting suicide is a violation of the Misconduct Prohibited by the University and may result in disciplinary action by the University. *The right educational policy and the right risk management practice is to make sure students who threaten or attempt suicide obtain immediate professional help, even if an assessment has to be required, or enforced through the college disciplinary process.*

DISRUPTIVE CONDUCT POLICY

North Carolina Agricultural and Technical State University has long honored the right of free discussion and expression, peaceful picketing and demonstrations, the right to petition and peaceable assembly. Without question these rights are a part of the fabric of this institution and they must remain secure. However, in a community of learning, willful disruption of the educational process, destruction of property, and interference with the rights of other members of the community cannot be tolerated. Accordingly, it shall be the policy of the University to deal with any such disruption, destruction or interference expeditiously without regard to race, sex, or political beliefs.

Any member of the University community who attempts to obstruct, or disrupt any normal operation or function of the University or any of its component institutions, engage, or incites others to engage, in

individual or collective conduct which destroys or significantly damages any University property or which impairs or threatens impairment of the physical well being of any member of the University community, or which, because of its violent, forceful, threatening or intimidating nature or because it restrains freedom of lawful movement, or otherwise prevents any member of the University community from conducting his/her normal activities within the University, shall be subject to prompt and appropriate disciplinary action, which may include suspension or expulsion from the University. The following illustrations of Disruptive Conduct are not intended to be exclusive:

Policy on Disruptive Students in the Classroom

During instances when students exhibit disruptive behavior in the classroom, a faculty member should attempt to defuse the student (s)'s anger and/or resolve the problem while maintaining a tone of calmness and professional objectivity. If the situation appears to be escalating out of control, the faculty member should go to, or request that another student in the class go to, the nearest administrative office to contact campus security for assistance in bringing the matter under control. If a student (s)'s behavior in the classroom has been unreasonable or inappropriate, e.g., student used profanity, student threatened the faculty member or another student in the class, etc., then the faculty member may request that the student be administratively withdrawn from the course. This action is consistent with the attached policy of the University of North Carolina – UNC-GA Policy on Disruptive Behavior in the Classroom.

(See Appendix D)

Any student who is involved in classroom disruption is subject to receive penalties resulting from the Policy on Disruptive Students in the Classroom and also to be charged with disciplinary violation of Misconduct Prohibited by the University.

EXCERPT FROM THE UNIVERSITY AIDS POLICY

It is the policy of North Carolina A&T State University that persons infected with AIDS virus (whether active AIDS (HTLV-III), AIDS--Related Complex (ARC), or sero-positive to virus) will not be excluded from enrollment or employment, or restricted in their access to University services or facilities unless medically based judgments in individual cases establish that exclusion or restriction is necessary to the welfare of members of the University community. For additional information and guidelines on handling HIV cases and/or AIDS education programs, contact Sebastian Health Center.

POLICY STATEMENT ON THE USE OF UNIVERSITY FACILITIES AND/OR PROPERTY

It is the policy of the University to provide equal opportunity for all qualified persons in its educational programs and activities. The University does not discriminate on the basis of race, creed, color, religious affiliation, sex, national origin, age or handicap. The University's academic activities, however, severely limit the number of outside activities, which can be accommodated in existing facilities. Therefore, the use of University buildings and/or property is prohibited unless prior clearance and arrangements have been made.

The University will make every effort to schedule activities, which are academically or culturally related to the work of its departments and formally registered student organizations, i.e., Affiliated groups and Non-Affiliated Groups. North Carolina A&T State University's buildings and allied facilities are available to responsible groups when such use is determined to be beneficial to the citizens of the State of North Carolina and/or North Carolina A&T State University, its faculty, staff and students; and when it will not interfere with or be detrimental to the ongoing educational program of the University.

Events sponsored by Affiliated and Non-Affiliated Groups are scheduled, and coordinated by the University Scheduler and approved by the Vice Chancellor for Student Affairs, with the cooperation and assistance of other service, administrative and academic units on campus. No sponsoring group has the right to interfere with or disrupt, either in part or in whole, the orderly operation of the University or to interfere with the rights of its students.

Permission to use University facilities may be denied or revoked for non-compliance with the Guidelines and implementing Procedures for the use of University facilities. *Moreover, any use of University facilities not specifically authorized in this policy may lead to sanctions up to and including criminal prosecution. (See Appendix A- Guidelines and Implementing Procedures for the use of University Facilities, pg.66)*

ONE CARD POLICY

The One Card will serve both as an ID card and a debit card. The One Card can be used in a variety of ways on campus, i.e., to make purchases from the bookstore, snack bar, vending machines, to wash clothes, checkout books from the library, make photo copies at the library and enter all University sponsored varsity sporting events. This card is also used on all doors equipped with card readers. Each time the card is used, the cardholder's account is debited for that amount.

Any misuse or abuse of the ID card issued will be a violation of the **Student Conduct Regulations**. Specifically:

- A. Use of an ID card by any person other than by the student for which it was issued is card fraud and will carry the same penalty as credit card fraud.
- B. Loaning the ID card is illegal and will result in disciplinary action for the person loaning the card as well as the person using it.
- C. All lost cards should be reported immediately. If a card is found, it should be turned in to the Student Affairs Vice Chancellor's office, campus police, or the One Card office.

VOTER REGISTRATION

The National Voter Registration Act of 1993 (NVRA) is a federal statute which mandated dramatic changes to states' voter registration procedures by January 1, 1995. North Carolina has met the deadline and has implemented all aspects of the Act.

In compliance with the Voter Registration in North Carolina plan, North Carolina Agricultural and Technical State University supports the most fundamental process of democracy to any student who may or may not have prior experience in the voter registration process.

COMPUTING AND NETWORKING USAGE POLICY

The rapid development of the internet and of information technology requires North Carolina Agricultural and Technical State University to establish specific policy applicable to the technology arena.

Appropriate use of computing and networking resources and insuring the integrity of data and privacy is everybody's responsibilities. Technological and information resources and the access provided by the University to campus resources are to be governed by the Computing and Networking Policy.

The Computing and Networking Usage Policy applies to technology administered by individual departments, to student owned hardware connected to the campus network, to the resources administered by central administrative departments such as University Libraries or Computing and Information Technology, and to actions originating from computer systems maintained by members of the campus community off-campus connecting remotely to the University's network services.

The Computing and Networking Usage Policy applies to all systems owned, managed or administered by the University and any use of those systems. Many specific areas and or systems may have service-specific policies that apply in addition to the umbrella Computing and Networking Usage Policy. Please refer to postings available with each system to identify all applicable policies.

As technology changes and users find new ways to use technology for administrative, academic and research endeavors, the Computing and Networking Usage Policy must evolve. The campus Computer Advisory Committee is entrusted with the responsibilities to propose any necessary changes. Accordingly, an updated Computing and Networking Usage Policy and other related policies and procedures should be posted at <http://www.ncat.edu/~cit/policies/>. It is the responsibility of every user to familiarize himself or herself with policies in place and to abide by them. Questions related to campus computing may be directed to the Director of Client Services.

ACADEMIC INFORMATION AND REGULATIONS

Each student is responsible for adhering to the academic regulations and requirements set forth in the University Bulletin and for revisions of same as posted on campus bulletin boards or released in other official

publications of the University. Failure to meet requirements or comply with regulations because of lack of knowledge thereof does not excuse the student from meeting the academic regulations and requirements. A student's program of study must be approved by his or her assigned advisor, his or her chairperson or a member of the faculty in his or her major department at registration. Advisors provide guidance to students in academic matters and refer students to those qualified to help them in other matters. However, the final responsibility for meeting all academic requirements for a selected program rests with the student.

ADVANCED PLACEMENT

A student entering the University from secondary school may obtain advanced placement and a college credit on the basis of performance on the College Entrance Examination Board Advanced Placement examinations. A score of 3 or higher on any CEEB advanced placement examination will entitle the student to credit for the comparable University course as determined by the Director of Admissions in consultation with the Chairperson of the appropriate department.

PROGRAM OF STUDY

A student should refer to the requirements of their respective departments and schools about his/her program of study and confer with his/her advisor whenever problems arise. The student is expected to follow the program outlined as close as possible. This is very important during the first two years when he or she is satisfying basic degree requirements and prerequisites for advanced work.

DECLARATION OF MAJOR

A student is required to declare a major at or before completing 45 semester hours. If a major is not declared the student will not be allowed to register for the next semester.

REGISTRATION

Registration is a time designated each semester to allow the student and his or her advisor to review the student's records and plan a program for the next semester.

The student has an opportunity to discuss academic problems with the advisor. Registration helps to ensure that the courses requested on the registered schedule will be available to the student the following semester.

Any student who is enrolled in the University during the registration period is expected to register during the period designated for this purpose.

OFFICIAL REGISTRATION

In order for a student to get credit for a course, he or she must be properly registered in that course. This means that the student must have gone through the registration procedures as outlined by the University. Further, the student must have filed with the Office of the Registrar the required class schedule and paid all required tuition and fees.

LATE REGISTRATION

A student is expected to complete enrollment (including the payment of all required fees) on the dates listed on the University Calendar. The payment of fees is part of the registration process. No student is eligible to attend classes until the required fees have been paid.

Students who fail to complete registration during the scheduled dates will be required to pay a late registration fee of \$20.00 on the first day and \$10.00 for each additional day during the late registration period.

AUDITING OF COURSE

A regular student may audit a course by picking up the Audit Form from the Office of the Registrar. He or she must register officially for the course and pay the University Cashier. Attendance, preparation, and participation in the classroom discussion and laboratory exercises shall be at the discretion of the instructor. A student who audits courses is not required to take examinations and tests and they receive no credit. A student may not change his or her registration from audit to credit or from credit to audit after late registration ends.

COURSE LOAD

A full-time undergraduate student is expected to comply with the Board 1993 Plan to Improve Graduation Rates by enrolling in an average of at least 15 semester hours per term in order to graduate in four years. The academic programs of North Carolina A&T State University require 128 semester hours. In order to complete a 128-hour degree program in 8 semesters, it will be necessary for students to carry a course load consisting of an average of 16 semester hours or complete 32 semester hours in an academic year. **Undergraduate students enrolled in 12 or more semester hours are designated as a full-time student and must pay full tuition and fees.** Full-time students usually carry from 15 to 18 semester hours. To enroll in more than 18 semester hours, students must get approval from the department head and the dean. The maximum course load that students may carry who are on academic probation is twelve semester hours. Undergraduate students on academic probation who have a cumulative grade point average at or above the minimum level that is required based on the number of semesters completed are exempted from the twelve hour course load limit.

DOUBLE MAJOR

Students, who desire to obtain a major, must file an appropriate request form in the Office of the Registrar. A double major student who involves two departments or two schools must satisfy the major requirements for each department or school.

PREREQUISITES

A course that is designated as prerequisite to another course indicates that the prerequisite is required before taking the next course. Credit may be granted to indicate acceptable performance in the prerequisite course content by successful completion of standardized tests under the College Level Examination test by successful completion of standardized tests under the College Level Examination Program (CLEP) or successfully passing an examination adopted or prepared by the department granting the credit. (See also Course Credit by Examination).

REPETITION OF COURSES

A student who has received a failing grade in a required course at this University must repeat and pass the course unless the dean of the College/ School authorizes a substitute course. No single course may be repeated more than (2) two times. Course withdrawals do not count. Course drops do not count toward the attempts. A course complete with a grade of **C-** or higher may not be repeated for a change of grade. Special authorization may be requested, as needed, from the Dean of the appropriate College/School to assist the student with completing requirements for graduation.

When a course is being repeated, the course must be indicated on the course schedule form.

Dual course credit is not allowed. For example, only three (3) hours of credit are allowed for a three- (3) hour course.

All grades earned by the student are a part of his/her official academic record and will appear on his/her transcript.

CORE REQUIREMENTS OF THE UNIVERSITY

The University has approved principles of flexibility in the course offerings that can be taken to satisfy the core requirements of the University. The areas in the core and the minimum semester hour requirements are found in the *Bulletin of North Carolina Agricultural and Technical State University*.

COURSE CREDIT BY EXAMINATION

Credit may be earned by examination for any undergraduate course for which a suitable examination has been adopted or prepared by the department granting the credit. The student receives the grade "CE" and regular credit for the number of hours involved. However, the credit hours are excluded in computing the student's grade point average.

Credit may also be granted for the successful completion of standardized tests under the College Level Examination Program (CLEP), as approved for specific courses by University departments. There is no maximum amount of credit that a student may earn, but a student must complete a minimum of three semesters as a full-time student in residence at the University. Fees for CLEP and other standardized examinations are determined externally, rather than by the University. These credits are treated as transfer credits. Questions about the program may be addressed to the Director of Admissions, or the Director of Counseling Services.

ACADEMIC RETENTION

The normal load for an undergraduate student is sixteen (16) credit hours per semester. The minimum load for a full-time undergraduate student is twelve (12) credit hours per semester. The student is expected

to make normal progress toward a degree. Normal progress means the completion of sixteen or more hours each semester with a 2.0 grade point average or higher for a full-time student.

The University does not honor contracts, charges or purchases made by students or student organizations in the name of the University unless it has been approved by an Advisor, the Office of the Vice Chancellor for Student Affairs, and the Business Office. All purchases of supplies and equipment for the operation of the University are handled through the Business Office.

CLASS ATTENDANCE POLICY

Class Attendance

The University is committed to the principle that regular and punctual class attendance is essential to the students' optimum scholastic achievement. An absence, excused or unexcused does not relieve the student of any course requirement.

Regular class attendance is a student obligation, and a student is responsible for all the work, including tests and written work, of all class meetings.

Instructor's Responsibility

- 1) Description of attendance requirements should be stated in the course syllabus and announced in class, particularly at the beginning of each term. If class attendance is to affect a student's course grade, then a statement to that effect must be a part of the course syllabus distributed to each student.
- 2) Instructors will keep attendance records in all classes. Each instructor has the right to prescribe procedures as to how and when attendance will be taken.

Student's Responsibility

It is the responsibility of each student to learn and comply with the requirements set by the instructor for each class in which one is registered. The student should:

- 1) Have knowledge of each instructor's attendance and monitoring practices for class absences during the term.
- 2) Become familiar with all materials covered in each course during absences and make-up work of any work required by the instructor.
- 3) Initiate the request to make-up work on the first day of class attendance after the absence. **Policy on Make Up of Required Course Work**

The administration, faculty and staff recognize that there are circumstances and events which require students to miss classes and require course work which may be performed or due on the day of the absence. Also they recognize that required course work is needed to give each student an adequate performance evaluation. Therefore, whenever reasonable (and more specifically described below), students should be allowed to make up required work.

The following definitions will apply with respect to this policy:

- a) Required course work—All work which will be used in the determination of final grades; e.g. examinations, announced quizzes, required papers and essays, required assignments.
- b) Instructor—Person responsible for the course and providing instruction and evaluation.
- c) Permissible reasons for requesting make up of required work—Sickness (verification needed)—death of relative (immediate family); participation in approved University related activities; acting in the capacity of a representative of the University (band, choir, sports related travel, etc.); extraordinary circumstances (court appearance, family emergency, etc.); require a signed statement.

NOTE: Other reasons for requesting make up of required course work are not acceptable.

INSTRUCTORS SHOULD SCHEDULE MAKE UP WORK AT A TIME THAT IS CONVENIENT TO BOTH THE INSTRUCTOR AND THE STUDENT.

- d) Documentation—Verification of sickness requires signed statement of a physician or a duly authorized staff member of the Health Center.

Verification of death requires signed statement from the Minister or Funeral Director.

Verification of participation in University related activities requires signed statement from the Office of the Vice-Chancellor for Academic Affairs.

Verification of other reasonable circumstance for example; court appearance, family emergency, etc. requires a signed statement from an appropriate official (e.g., Court Official, parent or guardian, etc.)

The policy regarding make-up of required course work is as follows:

- (1) A student may petition an instructor to make up required course work whenever the student has a permissible reason for requesting make up of required course work.
- (2) Student will be required to present documentation, which verifies absence constituting permissible reason.
- (3) Whenever possible, a student should consult with the instructor prior to an absence which will involve the failure to do, required course work. Arrangements for make up should be discussed and agreed upon at this time.
- (4) A student must petition for make up of required course work on the first day that he returns to class.
- (5) If permission is granted to make up required course work, the instructor and the student should agree on an acceptable date for accomplishing the make up of missed required course work.
- (6) Failure to comply with item 4 may result in the denial to make up required course work.

GRADUATION WITH HONORS

Graduation honors are awarded undergraduate candidates who complete all requirements for graduation in accordance with the following stipulations: (1) Those who maintain a general average within the range of 3.00 to 3.24 will receive CUM LAUDE, (2) those who maintain a general average within the range from 3.25 to 3.49 will receive MAGNA CUM LAUDE, (3) those who maintain a general average within the range of 3.50 to 4.00 will receive SUMMA CUM LAUDE.

All hours attempted are included in the grade point average computation for honors. This means that when a course is repeated both grades are added in the computation. A minimum of 60 percent of the credit hours required for a degree program must be earned at A&T State University to be considered for honors. This means that if the program requires a total of 126 hours, 75 of those hours must be earned at A&T. Persons who have obtained a baccalaureate degree and return or enroll for a second baccalaureate degree are not considered for honors. Publication or honors and scholarships are made at commencement.

COMMENCEMENT PARTICIPATION

Two commencement programs are scheduled each year, one in December for fall and summer graduates and one in May for spring graduates. Students must meet the following requirements to be eligible to participate in the commencement:

- **Have completed degree requirements the semester/session prior to the upcoming commencement ceremony for which they plan to participate; or**
- **Be enrolled in the final courses and/or academic activity necessary to complete degree requirements in the semester for which they plan to participate in the respective commencement.**

In either scenario, all students must submit an application for graduation to the Registrar's Office prior to the commencement deadline for either May or December. The student must be "cleared" by the Registrar's Office to be approved to participate in the commencement activities.

Students who complete degree requirements during summer session(s) will NOT be eligible to participate in the preceding May commencement activities. However, they will be eligible to participate in either the following December or May commencement provided they meet the respective requirements as stated above.

GRADUATION UNDER A GIVEN CATALOGUE

A student may expect to earn a degree in accordance with the requirements of the curriculum outlined in the catalogue in force when he or she first entered the University, provided the courses are being offered. Moreover, he or she must complete these requirements within six years. In addition, he or she may graduate under any subsequent catalogue published while he or she is a student. If a student elects to meet the requirements of the catalogue other than the one in force at the time of his or her original interest, he or she must meet all requirements of the catalogue he or she elects.

RELEASE OF STUDENT INFORMATION

Public law 93-380 permits the release of "directory information" about students, without the students' written consent. Directory information includes: Students' name, address, school, major, sex, marital status, dates of attendance, degree received and the institutions attended prior to NC A&T. The law further provides that any student may upon written request, restrict the printing of such personal information relating to himself or herself as is usually included in campus directories. A student may fill out a **Non-Disclosure Of Academic Records Form** in the Office of the Registrar the first week of matriculation at the University if a student desires to have directory information withheld. A request for non-disclosure will be effective for one year.

STUDENT SERVICES AND PROGRAMS

The Division of Student Affairs at North Carolina A&T State University is organized for the purpose of providing programs and services that complement the academic mission of the University. Accordingly, very definite efforts are made:

1. To help students to become better acquainted with themselves and the various problems confronting them.
2. To help students to develop the ability to make satisfactory choices and adjustments.

Training modules include conflict management and resolution, leadership development, governance, and student conduct regulations. Through these concerted efforts, the goal is for students to become campus stewards and global citizens. The Dean of Students assists the Office of the Vice Chancellor for Student Affairs in the overall administration of the Student Affairs Division, which includes student services, student life, and student development for undergraduate and graduate students. The office strives to promote campus safety and harmony by maintaining an environment consistent with the educational purposes and operations of the University. The Dean of Students is primarily responsible for the day-to-day administration of Student Judicial Affairs, oversees the operations of the Student Government Association, and supervises and supports the activities of the following administrative units.

In order to live in University Campus Housing a person must be currently enrolled as an A&T student.

If campus housing is desired, the students should return the application as quickly as possible to the **Office of Housing and Residence Life, 226 Murphy Hall**. A non-refundable Processing/Programming Fee of \$150.00 must accompany the application.

Continuing students desiring on-campus housing participate in a Housing Selection Process (HSP). Students that do not get housing through the HSP but still desire to live on campus should periodically check space availability by contacting the Office of Housing and Residence Life.

The Housing and Residence Life halls on campus are:

<u>Female</u>	<u>Male</u>	<u>Co-Ed</u>
Holland	Scott A	Aggie Inn (S. Elm-Eugene)
Holt	Scott B	Alex Haley
Holt Annex	Curtis	Cooper
Morrison*		Scott C

The 4 Honor Houses are Benbow I, Daniel I and II, and Holt Annex. Aggie Suites is a privately owned facility located on the Northeast side of campus. Aggie Terrace is a privately owned facility housing graduate students, single parents, and married students located on the corner of Market St. and Benbow Rd.

Residence Hall Staffing

A Residence Life Management Team manages each residence hall. The purpose of this team is to manage the hall/facility and (as appropriate) assist/help the students with any concerns they may have. Those concerns include (but are not limited to) safety, comfort, maintenance, roommate and personal concerns, programming, etc. The Residence Life Management Team consists of the Hall Director, Graduate Assistant and a number of responsible students called Resident Assistants (RA's) or (in some facilities/residence halls) Community Assistants (CAs). The Hall Director is the chief administrator of the residence hall. The Facility Manager is the chief administrator of residence entities that are called facilities. The Graduate Assistants are graduate students that work in the residence halls part-time. The RAs and CAs are upper-class students that live in the residence hall/facility. Each floor of each residence hall usually has one or more RAs. CAs are usually properly dispersed in facility communities. The RA's and CA's assist students 24-hours a day.

Residence hall staff and students host special recreational, social, safety, cultural, and educational programs. These positive programs enhance the quality of on-campus living and group interaction experiences. Typically included in these activities are hall meetings, guest speakers, workshops, rap sessions, party and fun events, sport events, etc.

Leadership Opportunities (Residence Hall and Residence Life Councils)

Each residence hall has a Residence Hall Council. Combined, the residence hall councils constitute the Residence Life Council. Students who are elected to the offices of President, Vice-President, Secretary, Treasurer, etc. lead the councils. Every student resident of the hall/facility is a member of the Residence Hall Council. The Residence Hall Councils and Residence Life Council provide excellent opportunities for students to meet each other, work together and enhance their organization and leadership skills.

Residence Hall Policies:

- A. Students living in University Residence Halls are expected to govern themselves according to normal and acceptable behavior. Successful group living requires respect for the person, presence and consciences of other members of the community. Therefore, standards are necessary. The Residence Management Team will clearly communicate the standards to the residents of the respective residence halls/facilities. The standards will be enforced. Violators will be punished.
- B. Residents will be subject to eviction by the Office of Housing and Residence Life/Vice Chancellor for Student Affairs for acts that are contrary to the interests of the Residence Hall community. The Department of Housing and Residence Life expects students to conduct themselves responsibly. Students should be mindful of the fact illegal that activity is prohibited by law. Unethical and/or immoral behavior will not be tolerated. Incidences of any such activity will be referred to the Assistant Director for Residence Life. The Assistant Director for Residence Life will (as appropriate) notify the Director of Housing. The Assistant Director of Residence Life will either handle the situation or refer the case to the respective Residence Hall Conduct Council (RHCC), the Residence Life Conduct Board (RLCB) or to the Dean of Students' Judicial Affairs Office. When cases are referred to a RHCC, the RLCB or to the Dean of Students' Judicial Affairs Office, Proceedings and/or Hearings will be held. Appropriate disciplinary measures and/or sanctions will be ordered. Residence Life Disciplinary Measures may include the assignment of Residence Life Disciplinary Service (RLDS).

RESIDENCE HALL VISITATION

Policies, Procedures, and Guidelines Regarding Visitation

VISITATION

Definition: The company of a member of the opposite sex or same sex during the specified time period allotted in which guest may visit in the residence hall.

HONOR SYSTEM

Definition: The confidence and high opinion of the campus community toward university students in the belief that they will remain responsible in maintaining university standards for their own behavior.

The following visitation policy is presented as the University's assumption of its responsibility to resolve the matter of visitation practice within residence halls of its campus. The policy is the result of

considerable research and extensive discussion, and attempts to satisfy all those involved including students, faculty, administrators and other University personnel.

1. Procedures

- a) When approved by proper vote, visitation may begin in all residence halls on the first Thursday following the beginning of classes in each semester and summer school, or shortly thereafter.
- b) Visitation may be approved by a 2/3 affirmative vote of the residents of the hall. Voting shall be by secret ballot and shall be supervised by the hall directors. When not approved as stated herein, visitation will not be held in that residence hall/facility.
- c) The policy of visitation may be reconsidered at a meeting of a residence hall/facility if a petition is signed by one-tenth of said residents. The policy may then be changed by a two-thirds vote provided that a majority of the members of the hall are present and voting at the meeting.

2. Guidelines

a) Visitation hours are as follows:

Monday-Friday	4:00 p.m. - 12Midnight
Saturday-Sunday	12:00 noon - 12Midnight

Summer School

Sunday-Saturday	4:00pm-12:00 Midnight
-----------------	-----------------------

Some residence halls may vote to have a modified schedule

- b) Each participant will be limited to two guests. Exceptions may be accorded in special cases by the residence hall supervisor.
- c) The University reserves the right to reject, at any time, the policy of visitation when flagrant and repeated violations occur.
- d) Each participating resident shall sign in/out guest(s) of the opposite sex. Same sex visitation shall be directed under the honor system for entertaining guests in the residence halls/facilities.
- e) Any guest found in the residence halls/facilities after visitation hours will be subject to disciplinary action, or charged for trespassing
- f) Each guest shall enter and leave by the front door of the residence hall. While in the residence hall, guests shall be accompanied by the resident host or hostess.
- g) The resident host or hostess is responsible for the action(s) of the guest(s) (except in instances determined to be beyond the control of the resident host or hostess). If a situation occurs in an instance determined to be beyond the control of the resident host or hostess, that host or hostess has the responsibility of immediately reporting such situation to a member of the hall's/facility's Residence Life Management Team.
- h) In male residence halls, at least one restroom will be designated "Female" (or "Women").
- i) In female residence halls, at least one restroom will be designated "Male" (or "Men").
- j) Visitation schedules shall be prominently displayed in appropriate area of participating residence halls.
- k) Halls not allowing co-ed visitation shall prominently display signs that read "No Visitation".
- l) The presence of the guest(s) must not result in unreasonable inconvenience or annoyance to the roommate or to the other residents.
- m) Certain residence halls are approved to operate on a modified guest schedule. During the first two weeks of school each of those halls shall define the visitation hours. A community agreement will be posted.
- n) Exceptions for visitation hours may be granted for parents of residents.

Repeated violations of these policies will be reported to the Assistant Director for Residence Life who will make the proper referral.

Guests visiting residence halls shall have and (upon request) produce proper identification. "Proper identification" means an official document that contains the guest's first and last name and a clearly visible photograph/picture of the guest.

Loss of Privileges

Like most opportunities at the university, visitation is not a right, but rather a privilege that may be suspended at any time for violations of policies. Visitation privileges may be suspended administratively by a Residence Hall Director, the Office of Housing and Residence Life, or by a judicial hearing officer as a result of disciplinary action.

Institutional/Residence Hall Withdrawal and/or Refund

In order to cancel a room assignment, a written statement must be submitted and postmarked by August 1. After August 1 and December 15 (for spring assignment), the person will be billed the entire amount for housing and dining and subject to the appeals process.

There are rare exceptions that qualify the student to break the Residence Hall and Dining Contract. Such requests must be submitted in writing for the Appeals Board to review (and must fall under certain guidelines). The Appeals Board meets three times a year, --the second Wednesday after classes has started each semester and two Fridays proceeding the last Friday of finals in the fall semester.

It is never appropriate to leave or move-out of housing or the University without completing the withdrawal process (including being formally released and checking-out of housing). Vacating the residence hall without proper release or withdrawing from the university validates your leave as "unauthorized". Unauthorized leaves will be billed for the entire academic year.

SMOKING POLICY

Our residence halls operate under a "No Smoking" policy. When smoking is permitted it must be done in designated area only. We do not designate area for smoking. If you indicate that you are a smoker, we will do our best to accommodate you with another smoker (smoking in that case would be confined to your room). If you are a smoker assigned with a non-smoker, smoking is not allowed in the room.

The Office of Housing and Residence Life had published a No Tolerance Policy for marijuana. Included in this policy is a No Tolerance policy for the smell of marijuana in the residence hall rooms. The No Tolerance Policy for Marijuana will be strictly enforced.

OFFICE OF INTERNATIONAL STUDENTS AND SCHOLARS

The International Students and Scholars Office (ISSO) coordinate programs and services for non-immigrants and immigrants enrolled at North Carolina A&T State University. International students and scholars represent over 80 countries. Assistance is offered with admissions and registration processes, pre-arrival and arrival, housing, insurance, immigration matters, on campus work authorization, orientation, and adjustment to the University and the community. The office also cooperates with departments and student organizations to provide activities that enhance cultural, social and personal development.

Legal regulations governing students and scholars are complex and there are severe consequences for non-immigrants who fail to comply with immigrations regulations and provisions of the visa. Non-immigrants are encouraged to speak with the ISSO regarding immigration matters or concerns that may negatively impact continued enrollment at the University and/or one's eligibility to remain in the United States.

The International Students and Scholars Office is located in Room 221 Murphy Hall. The building is located at the corner of Nocho Street and S.G. Thomas Drive, near the Williams Cafeteria Complex. Please call (336) 334-7551 or e-mail: isso@ncat.edu with questions for additional information. Information specific to the Bureau of Citizenship and Immigration Services is available at www.bcis.bov.

The ISA

The Office advises the International Student Association (ISA) and assists with programming for the organization. The ISA is a dedicated group of students representing international students throughout the world. The organization is open to all students and requires a minimal membership fee. The organization participates in annual University festivities and also plans monthly meetings and activities that promote cultural awareness and discussion. The ISA also promotes multicultural understanding by participating in a variety of activities in the Greensboro community. Visit the ISA web site: www.ncat.edu/~isa.

Verifying Status

All international (foreign-born) students are required to verify their immigration/residency status as part of the admission/registration process by providing acceptable documentation to the International Students and Scholars Office. Non-immigrants are also responsible for notifying both the Bureau of Citizenship and Immigration Services (BCIS-formally INS) and the ISSO (room 221 Murphy Hall) of any change in immigration status and/or address. Please visit ISSO website at www.ncat.edu/~isso or contact staff at (336) 334-7551.

Foreign-born students with immigrant status applying to attend or continuing in attendance or continuing in attendance at the University are also required to provide documentation of permanent residency, U.S. naturalization, asylum, refugee status and/or resident alien status before enrolling and/or continuing at the University. U.S. Naturalized citizens may use the certificate and/or the passport for documentation. Other immigrants "pending immigrant status" may not be acceptable for full-time enrollment at the University. Please speak with a staff member if you have a "pending" petition or application with the Department of State or the Bureau of Citizenship and Immigration Services (BCIS).

At the beginning of each semester, the ISSO offers a mandatory orientation for new international students. Attendance at this session will assure that international students are made aware of requirements to maintain lawful status with Immigrations while completing the requirements for the degree program. The orientation is scheduled so that students can also complete the requirements for the degree program. The

orientation is scheduled so that students can also complete the required deadlines to report enrollment to the Department of State and/or the Bureau of Citizenship and Immigration Services (BCIS). There is a fifteen (15) day reporting requirement imposed by the BCIS.

Enrollment Requirements

All non-immigrants student (F and J) visa holders are considered and classified as "non-resident/out-of-state students and are assessed out-of-state fees.

It is the responsibility of each non-immigrant to maintain legal status while at North Carolina A&T. Non-immigrant in F-1 visa status is required by the BCIS to enroll full-time (12 hours undergraduate/9 hours graduate/6 hours with graduate assistantship) and maintain a minimum overall grade point average consistent with remaining in "good academic standing" at the University (2.0 undergraduate/3.0 graduate and Ph.D.). F-1 students do not have to enroll full-time during the summer sessions. With the exception of summer terms, enrollment must be consecutive throughout the completion of the degree program. All questions and requests regarding enrollment requirements must be discussed with ISSO staff and must have ISSO approval BEFORE changes are implemented.

Employment

F-1 non-immigrants are not eligible to work off-campus without approval from the Bureau of Citizenship and Immigration Services (BCIS). F-2 and H-4 non-immigrants are not eligible to work in the United States.

F-1 non-immigrants are eligible to work up to 20 hours per week on campus. Work affiliated with assistantships, tuition and fees, stipends or combinations of the same are considered to meet this privilege. No additional "work for financial compensation" can be accepted. In some cases students may not spend the full 20-hour "physical presence" maximum allowed by the BCIS; however, the rate of compensation provided by the department/program is binding to the 20-hour privilege.

Prior to accepting on campus work and compensation, non-immigrants must apply for and receive a social security number. Non-immigrants cannot begin work until the Social Security Card is issued and documented by the ISSO. In addition, all students and scholars receiving income within the United States must file State and federal income taxes.

There are severe consequences for non-immigrants who fail to comply with the Bureau of Citizenship and Immigration Services (BCIS) regulations regarding work. These consequences can include deportation from the United States.

Insurance

The Bureau of Citizenship and Immigration Services requires that all non-immigrant students and scholars on F and J visas, as well as their dependents residing in the United States, maintain comprehensive health and accident insurance coverage that includes repatriation and medical evacuation. In addition, the policy must have specific levels of coverage to insure that it is adequate to provide for medical costs in the U.S. International students should not purchase insurance policies prior to arrival, unless the coverage is for the specified period from home country departure to enrollment in a new policy at the University. Government sponsored students and students with pre-existing medical conditions should not cancel the insurance in order to purchase the plan available through the University. These students should consult with ISSO staff immediately. International students failing to provide proof of adequate insurance to the International Students and Scholars Office by the end of the official registration will be out of status with BCIS. Costs change from year to year; however, payments should be made at the beginning of each semester as billed by the University.

Student Employment Programs

Cooperative Education (Co-op)

What is cooperative education? Cooperative Education (Co-op) is an optional, counseling-centered and supervised program that offers students the opportunity to alternate periods of academic study with periods of work closely related to their major field of study. The combination of academic study and work produces an overall learning experience that gives greater meaning to students' studies and more direction to career development. This program is non-compulsory; however, the University urges students to gain work experiences either through internships or cooperative education assignments prior to graduation. The program is student oriented and centralized.

Who can participate? Any undergraduate and graduate students seeking a degree at North Carolina A&T State University (NCA&T) can participate. Participants must establish and maintain at least a 2.0 overall grade point average. Freshmen must complete their first academic year prior to their first work assignment. Transfer students must complete one semester. Students must be registered with the Office of Career Services (OCS).

Part-time employment opportunities are posted as received in the Office of Career Services. These jobs represent local and regional opportunities for students who are interested in supplemental income during the school year. Students are responsible for making the appropriate contacts and following through with prospective employers.

Summer internships offer students the opportunity to gain work experience in industry and government. These positions are offered during the summer and are highly competitive. For employers that do not actively interview during the summer and are highly competitive. For employers that do not actively interview during the recruiting season, announcements are available on-line.

Permanent Career Options

UNITED CAMPUS MINISTRIES AND RELATED ACTIVITIES

Although the University is state supported, religious activities in the Division of Student Affairs seek to provide for free expression of needs and interests of students with religious convictions in accordance with the first Amendment Rights and Laws governing North Carolina Institutions of Higher Education. The programs, activities and services reflect the pluralistic religious image of the campus in keeping with the American constitutional principle of separation of church and state.

The primary recognized model for ministries include elements of worship in both traditional and non-traditional styles. (Christian education, pastoral counseling and nurture, recreation and fellowship, and community outreach and social concerns). This model provides student experiences in the context of worship services, mass, daily prayers, devotion, spiritual retreats, educational workshops and seminars, biblical studies, forums, teaching revivals, conferences, fellowship dinners, travel and outings. Students are also involved in the life of local congregations and community organizations.

Other major organizations and campus ministries include the A&T Fellowship Gospel Choir, United Christian Fellowship Gospel Choir, the Catholic Campus Ministry, the Wesley Foundation Campus Ministry, New Generations Campus Ministry, Presbyterian Campus Ministry, Grace Lutheran Campus House, Episcopalian Campus Ministry, Church of Christ Ministries, Apostolic Ministry, the Muslim Student Association and the Nation of Islam Student Association. Related student organizations registered in the Office of Student Development are listed annually with descriptive information in the *Recognized Student Organizations Directory*.

Goals and Objectives

1. To effectively provide communication publications by and about all campus ministries programs and activities.
2. To coordinate programs and activities for student organizations.
3. To provide a mechanism through which students may continue their growth and development to compliment their scholastic development.
4. To offer opportunities for individual and group inter-personal counseling and guidance by qualified
 5. pastoral leaders.
6. To effectively advise student leaders elected to office in student organizations.
7. To offer comprehensive, social and educational fellowship gatherings.
8. To plan forums that are knowledge based and spiritually oriented.
9. To conduct an increased number of activities that contribute to the cultural, moral, intellectual and spiritual development through jointly sponsored campus ministries.

Policies, procedures, and guidelines governing other student organizations must be adhered to by religious organizations, especially those where initiation activities are involved in the recruitment of new members. Other related policies, such as grade point average for new members, are stated in the constitution of the recognized religious organizations.

Summer Research participants are awarded a stipend and tuition, room and board during the research period.

VETERAN AND DISABILITY SUPPORT SERVICES

The Office of Veteran and Disability Support Services (OVDSS), located on the ground floor of Murphy Hall, is established to assist veterans, eligible veteran dependents and students with disabilities in the areas of registration, certification, academic modifications, accommodations, assessment, and adjustment to university life.

Veterans and Veteran Dependents - This office is responsible for the certification and processing of applications for educational benefits for veterans and veteran dependents that are eligible. For detailed information on VA benefits, contact the certifying official in the office (Suite 005, Murphy Hall). *This office does not handle North Carolina Veteran Scholarships.*

Disability Support Services - The office identifies and makes the necessary arrangements for academic adjustments as well as assuring that all other programs, services and activities are accessible to persons with disabilities.

It serves as a liaison for all students with documented disabilities as they participate in programs and activities enjoyed by all students. Students with documented disabilities that wish to receive accommodations and/or adjustments MUST register with this office. All information pertaining to the student's disability is kept confidential. Information and arrangement for services are transmitted and handled through OVDSS including grievances, assistance and compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.

UPWARD BOUND

The Upward Bound Program was established by special amendments to the Higher Education Act of 1965 to assist students from low-income families and first generation college backgrounds. The primary purpose of Upward Bound is to generate in its participants the skills and motivation necessary to complete a program of secondary education, and to enter and succeed in a post-secondary education program. Upward Bound operates year-round and provides services through three components: a six-week summer residential program, a nine-month academic year tutorial program, and a Bridge Program for Upward Bound graduates. The basic services of Upward Bound have traditionally included tutorial and instructional assistance in college preparatory courses, counseling, academic advisement, personal and career development, cultural enrichment, and individualized assistance in applying to college.

Upward Bound serves 124 high school students from the Guilford County area, and has operated at NC A&T State University since 1967. This program has effectively promoted the college enrollment of numerous students. It has also routinely served as a valuable source for work experiences for upper-class college students who have demonstrated outstanding scholarship, leadership and character.

INTRAMURAL SPORTS

The mission of Intramural Sports is to provide students, faculty, and staff the opportunity to participate in recreation and sports programs as well as access to recreational facilities. Intramural Sports programs may be competitive, noncompetitive, organized, or informal to meet the diverse needs and interest of the participants.

The sports leagues currently available during the school year include men's and women's basketball, flag football, volleyball, kickball, and soccer. In addition, softball, swimming, weightlifting, tennis, racquetball, aerobics, horseshoes, walking club, and open gym are also available.

Intramural Sports provides internships and field work experiences for students majoring in Recreation. Training and employment opportunities are also available to students interested in officiating sports.

STUDENT SUPPORT SERVICES PROGRAM

The Student Support Services (SSS) Program provides opportunities for academic development, assists students with basic college requirements, and serves to motivate students toward the successful completion of their post secondary education. The goal of the SSS program is to increase the college retention and graduation rate of its participants and facilitate the process of transition from one level of higher education to the next.

Services Provided by the Program Include:

- Instruction in basic study skills
- Tutorial services
- Academic, financial, or personal counseling
- Assistance in securing admission and financial aid for enrollment in graduate and professional programs
- Information about career options
- Mentoring

Application Information

To receive assistance students must be enrolled or accepted for enrollment in a program of post secondary at this institution. Only potential first-generation college students, low-income students, and students with

disabilities evidencing academic need are eligible to participate. The university received a four year grant from the department of education to operate the program. All services provided to participants are free. Applications are available in 213 Murphy Hall.

STUDENT FINANCIAL AID

The primary purpose of the Student Financial Aid Office is to provide financial assistance to students who, without such aid, would be unable to attend college. Financial aid is money awarded to assist you and your parents in paying for the cost of an education. Applying and receiving financial aid should be a simple process. Students apply for need based and some non-need based financial aid by completing the Free Application for Federal Student Aid (FAFSA). Students should complete this form immediately after January 1. There is no processing fee and all students are encouraged to complete the application. Students can submit the FAFSA on the Web (<http://www.fafsa.ed.gov>) or mail the form to the Federal Processing Center. North Carolina A&T State University school code is 002905. The University's priority deadline is March 15, however, students who miss the deadline are still encouraged to complete and mail the FAFSA.

Financial aid is money or the opportunity to earn money to help students meet the difference between what they can afford to pay and the actual costs to attend college. To be eligible to receive Federal and State aid, a student must meet the following requirements:

1. Submit the Free Application for Federal Student Aid (FAFSA) each year.
2. Demonstrate financial need.
3. Be admitted as a regular student in a degree seeking program.
4. Be a Citizen of the U.S. or an eligible non-citizen.
5. Maintain satisfactory academic progress (See Satisfactory Academic Progress Policy).
6. Males between the ages of 18-25 must register with Selective Service.
7. Not be in default or owe a repayment of any Title IV Funds.
8. Register for sufficient number of credit hours for certain types of aid.

A student enrolled as a "Special Student" is not eligible for Federal and State financial aid.

Students who have earned a Bachelor's Degree are not eligible for most Federal and State Grant Assistance.

Types of Available Funds

The Student Financial Aid Office administers four types of financial aid programs; Grants (Federal and State), Scholarships, Work and Loans. Grants and scholarships are considered "gifts" aid and do not have to be repaid. Work assistance must be earned and loans must be repaid.

Grants

The University awards several types of grants to eligible students, if funds are available.

Federal Pell Grant – eligibility is determined by the student's expected family contributions, cost of attendance and enrollment status.

Federal Supplemental Educational Opportunity Grant – (FSEOG) is awarded to needy students who are Pell eligible.

Need-Based Grant – Funded by the State of North Carolina (usually awarded to students who receive the Pell Grant).

Minority Presence Grant – awarded to white students attending NC A&T State University.

Native American Grant – funds available for Native American students meeting the program criteria.

Pennsylvania, the District of Columbia, Rhodes Island and Vermont also offer grants to residents meeting eligibility criteria.

Scholarships

The majority of scholarships of North Carolina A&T State University are awarded through the academic departments. Students are strongly urged to contact their academic department for additional scholarship information. Students receiving an outside scholarship should forward a copy of the notice to the Student Financial Aid Office. The scholarship will be included in the student's award and may cause an adjustment to the current award package. All scholarship checks should be made payable to North Carolina A&T State University and mailed to the Treasurer's Office. The check should include the student's name and social security number. Other scholarship information can be found in the University catalog.

Students are encouraged to search for scholarships using the Internet (<http://www.finaid.org>) or the local library. Students should be careful of companies who offer to locate scholarships for a fee.

Federal Work Study

Federal Work-Study is available to eligible students. This program provides jobs for undergraduate and graduate students with financial need. The Federal Work-Study Program provides students the opportunity to earn part of their educational expenses and to gain valuable work experience for future reference. The total amount of the award is listed on the award notification. Students who are awarded Federal Work-Study must pick up an assignment form from the Student Financial Aid Office at the beginning of the Fall Semester. Students cannot begin work until an authorization is received and returned to the student Financial Aid Office. Students who are awarded work study for the Spring semester, should report back to the assigned department. To ensure that the award amount is not exceeded, students are encouraged not to work more than 15 hours per week. The Student Financial Aid Office is not responsible for paying hours exceeding the award amount. Students working on campus will be paid \$7.00 per hour and are paid monthly, normally, the 15th of each month. It is the student and supervisor's responsibility to ensure that the award amount is not exceeded. Time sheets are due in the Student Financial Aid Office monthly in order for the student to be paid. Time sheets received after the due date will be held until the next payroll. Checks are distributed from the Treasurer's Office. The Federal Work-Study Award cannot be used toward payment of University fees at registration.

Loans

Loans are repaid with interest. The Student Financial Aid Office participates in the Federal Direct Student Loan Program, Federal Perkins Loan and the Federal Direct PLUS Loan programs.

SATISFACTORY ACADEMIC PROGRESS

Students must maintain satisfactory academic progress to continue receipt of financial aid. It is the student's responsibility to review the standards and ensure that the guidelines are being met. The Student Financial Aid Office will review the student's progress at the end of the spring semester. Students who fail to meet the satisfactory academic progress standards should attend summer school to remove their deficiencies.

To be considered maintaining Satisfactory Academic Progress, an undergraduate student must meet the following minimum requirements:

No. of Semesters	Cumulative Grade Point Average	Minimum No. Of Credit Hours Earned
1	1.40	12
2	1.50	24
3	1.60	36
4	1.80	48
5	1.90	60
6	2.00	72
7	2.00	84
8	2.00	96
9	2.00	108
10	2.00	124

*This standard is consistent with the university's academic standards required for graduation.

GUIDELINES AND IMPLEMENTING PROCEDURES FOR THE USE OF UNIVERSITY FACILITIES (Revised)

It is the policy of the University to provide equal opportunity for all qualified persons in its educational programs and activities. The University does not discriminate on the basis of race, creed, color, religious affiliation, sex, national origin, age or handicap. The University's academic activities, however, severely limit the number of non-academic activities, which can be accommodated in existing facilities. Therefore, the use of University buildings and/or property is prohibited unless prior clearance and arrangements have been made.

The University will make every effort to schedule activities that are academically or culturally related to the work of its departments and formally registered student organizations, i.e., affiliated groups and non-affiliated groups. It is the intention of the University to support and accommodate student-oriented functions, giving preference to events approved by and/or sponsored through Academic or Student Affairs that comply with the facilities guidelines set forth in the Student Handbook. North Carolina A&T State University's buildings and allied facilities are available to responsible groups when such use is determined to be beneficial to the citizens of the State of North Carolina and/or North Carolina A&T State University, its faculty, staff and students; and when it will not interfere with or be detrimental to the ongoing educational program of the University.

Events sponsored by affiliated and non-affiliated groups are scheduled, and coordinated by the University Scheduler of Facilities and approved by the Vice Chancellor of Student Affairs, with the cooperation and assistance of other service, administrative and academic units on campus. No sponsoring group has the right to interfere with or disrupt, either in part or in whole, the orderly operation of the University or to interfere with the rights of its students.

Permission to use University facilities may be denied or revoked for non-compliance with the Guidelines and Implementing Procedures for the use of University facilities. Moreover, any use of University facilities not specifically authorized in this policy may lead to sanctions up to and including criminal prosecution. ("Guidelines and Implementing Procedures for the use of University Facilities", Student Handbook).

GUIDELINES

1. University Contact - The Office of The University Event Center (Telephone Number 256-2058) will serve as the clearing house for coordinating, scheduling, communicating with heads of appropriate support units, and obtaining concurrence in arrangements.
2. **Each building representative and/or area coordinator will be asked to identify the room space or special areas of the campus that will be made available each semester to the University Scheduler of Facilities for programming social, cultural, and recreational activities. These spaces and areas will be assigned to affiliated and non-affiliated groups that receive the appropriate authorizations for conducting activities on the campus. In order for coordination to be effective, timely, and user friendly, all requests to use the identified space (from faculty or staff members, students, administrators or non-affiliated requesters) must be submitted to and handled by the University Scheduler. The assignment of these areas and spaces will be made with careful and due considerations for the impact that the proposed activities will have on other on-going functions of the University.**
3. **Priorities in Reservation of Space – The University will attempt to provide facilities for both affiliated and non-affiliated groups. However, the University has an obligation to provide space for University affiliated groups, and demands for space by these groups take priority.**
4. Affiliated Groups: Any group established under the authority of the Chancellor or by his delegation of such authority to administrators, faculty, or staff. All student organizations must be officially registered with the Office of the Executive Director for Student Development in order to use University facilities. All activities must be planned in accordance with the overall objective of the organization, the philosophy of the University and conform to University Guidelines.
5. **Non-Affiliated Groups: Any group that does not fit criteria stated for affiliated groups. Such groups seeking to use University facilities shall be required to comply with University regulations. Additionally, these groups shall be informed about the regulations regarding substance abuse, alcoholic beverages, equipment use, food service, and security measures, by the University Scheduler of Facilities.**
6. Facility Reservation Request Form - This official form is disseminated to a sponsoring organization in the Office of the University Scheduler of Facilities.

SPACE RESERVATION AND APPROVAL (Part I)

1. The University Scheduler of Facilities seeks to respond to all legitimate requests for non-academic programming space on a first come, first served basis, in a timely manner.
2. The Facility Reservation Request Form must be completed with signatures of the authorized representative for the sponsoring organization and the advisor. The completed form must be submitted to the Office of the University Scheduler of Facilities two weeks prior to any/all activities.
3. Sponsoring organizations should not assume the request to hold an event has been approved until the written confirmation has been received from the University Scheduler of Facilities. Both affiliated and non-affiliated groups must check with the Office of the University Scheduler for the approval documentation before releasing announcements concerning an event on the campus. Also, a copy of the written confirmation form should be kept on site as proof for authorization to use University facilities.
4. When not in use for regularly scheduled academic purposes the designated classrooms, lounge areas, meeting rooms and auditoriums of most University Buildings will be available to students and student organizations for social, cultural and/or recreational programming. The University facilities that are not generally available for programming include office areas, certain scientific and research laboratories, and the Holt Hall Gymnasium. The requests to use Corbett Gymnasium for social, cultural, or recreational programming will be considered on a case by case basis. However, when scheduling conflicts arise, academic and athletic activities take precedence over cultural/social events for both affiliated and non-affiliated groups.
5. Affiliated and non-affiliated groups desiring to sponsor swim parties in University facilities will be held to high standards for water safety and group oversight in the aquatic area. The specific procedures and policy for reserving the pool include the following:
 - A letter of request should be addressed to the chairperson of the Health, Physical Education and Recreation Department at least fifteen working days prior to the event. Lifeguards must be approved ten working days prior to the event.
 - Both the Chairperson and the Aquatics Director must approve the request.
 - The letter must include the lifeguards that will be utilized for the event and must reflect how they will receive payment for their service. Lifeguards must present themselves to the Chairperson and the Director of the pool facilities. Lifeguards should be chosen from personnel files available from the Aquatics Director at least ten working days prior to the event for orientation to the procedures and policies.
 - For liability reasons a maximum of 75 participants are permitted in the pool area with a minimum of three lifeguards. Each lifeguard must possess training with the new materials, CPR for the Professional Rescuer and be willing to submit to a skill test.
 - The request is then forwarded to the University Police Department and to Student Affairs for approval.
 - No electrical equipment will be allowed within the pool area due to safety concerns.
 - No Music will be allowed within the pool area as it hinders the lifeguards' ability to properly perform their jobs.
 - The Facility Reservation Request form must accompany the written request, and all requirements of this form must be met.
 - The organization/group reserving the pool must provide University security for all four doors that lead into the pool area.
 - Ticket sales or monies collected for admission to the pool area will require additional University security.

Space Reservation and Approval (Part II)

1. Affiliated groups desiring to sponsor dances/discos will be permitted the use of available space in the Corbett Gymnasium, Moore Gymnasium, or the Memorial Union Ballroom. For safety reasons, dances/discos will not be scheduled on campus following an evening home game in Corbett Sports Center. Additionally, disco/dance activities will not be scheduled for Friday and Saturday of the same

weekend.

2. Non-affiliated groups desiring to sponsor activities on University property will be required to submit their requests in writing to the Vice Chancellor for Student Affairs. Such requests should be submitted fifteen or more workdays prior to the anticipated date of the event. When such requests receive approval, a written contract will be developed between the University and the non-affiliated groups that outline the requirements for all applicable facility rental fees and/or payments for support services cost, and other university regulations. These contracts must be finalized at least ten days prior to the proposed event date.
3. In order to avoid undo interference with the ongoing instructional activities of the University, the start up time for social, recreational, or cultural activities in the Holland Bowl area, will be set at 4:00 p.m. Monday through Friday. Also a strict limitation will be imposed on the use of amplified sound until 6:00 p.m.
4. Sponsoring organizations should not assume that a requested event is approved until all signatures have been obtained on the Application Form and a formal approval provided. Affiliated and Non-Affiliated Groups must check with the Office of the University Scheduler of Facilities before any announcements are made regarding an activity that is being considered for approval.
5. Facilities available to students for recreational use are as follows: **Corbett Gymnasium, Moore Gymnasium, and Memorial Union**. In the event that the Affirmative Action Committee determines that discriminatory conduct, in the form of sexual harassment, has taken place, it will be the responsibility of the Committee to make recommendations to the Chancellor for appropriate redress for the victim and disciplinary action for the offender. Contingent upon the nature of the offense, reprisal may range from a formal reprimand to termination of employment. These recommendations shall be included in the Committee's report to the Chancellor. The Chancellor will have final authority for implementing recommendation for remedial action.

8. These rules shall be construed to protect the substantive rights of interested persons to meet appropriate due process standards and to assure that North Carolina A&T State University complies with the ADA and implementing regulations.

Appendix D

NORTH CAROLINA A&T STATE UNIVERSITY DISRUPTIVE BEHAVIOR IN THE CLASSROOM (UNC-GA POLICIES FOR STUDENTS-ADOPTED BY BOG OCTOBER 26, 1970)

The instructor may withdraw a student from a course for behavior that is deemed by the instructor to be disruptive to the class. The grade assigned will be "W" if the behavior occurs before the deadline for dropping a course without academic penalty, and the instructor has the option of giving a "W" or a "WF" if the behavior occurs after the deadline.

I. BINDING PROCEDURES FOR INSTRUCTORS

The instructor must provide an opportunity for the student to be heard. In providing this opportunity, the instructor must follow the procedure described below:

1. The student should be notified in writing at the next class attended that the instructor is proposing to drop the student from the course for disruption of the class, and the instructor should provide the student with written instructions regarding the time and place for a meeting with the instructor. A copy of this written notification must be sent to the instructor's department head at the same time.
2. A time limit of five working days (M-F) from the time written notification is given for the student's opportunity to be heard by the instructor.
3. The date of notification establishes whether the withdrawn student will be given a "W" or "WF". "W" is appropriate before the 8-week drop date and either "W" or "WF" is appropriate after that date, at the instructor's discretion.
4. The instructor may suspend the student from class until the instructor takes final action to withdraw the student from class or to allow the student to continue in the class. The final decision to withdraw or continue the student is the instructor's.
5. Either party in the resolution of this dispute may invite one other person of the university community to be present as an observer.

II. STUDENT RIGHT TO APPEAL

If the student wishes to appeal the instructor's decision to withdraw the student from class, he/she should follow the academic Appeal procedures outlined in the section on Grade in the Undergraduate Bulletin.
