"Each day brings increased opportunities..."

Located on the 2nd floor of Hodgin Hall, the University Studies (UNST) curriculum is the heart and soul of the University's academic mission to prepare students for careers in a dynamic, global, knowledge-based economy that demands life-long learning. We all benefit from a strong General Education foundation and we encourage you to become involved in the implementation process.

Serving as the entry point for all newly admitted undergraduate students, the University Studies program at NC A&T provides academic support to students throughout their college years. Students are given access to a wide range of services and programs that focus on academic support, career planning, and exploration, as well as personal and professional development.

We invite you to learn more...

Welcome to North Carolina A&T University Studies!

What is the mission of UNST?

Motivated by the principle that scholarship is best learned by the way it is practiced...[\(more\)](#)

What are the approved courses?

Want to learn more about the courses and their descriptions? [\(more\)](#)

Meet the Faculty
