So you're thinking about pursuing your education at North Carolina A&T State University! We're glad to hear it. A&T offers degrees from the following Schools and Colleges:

[School of Agriculture](#)  
[College of Arts and Sciences](#)  
[School of Business and Economics](#)  
[School of Education](#)  
[College of Engineering](#)  
[School of Nursing](#)  
[School of Technology](#)

Additionally, students have an opportunity to earn Master's and Ph.D. degrees through the [School of Graduate Studies](#).

The [Office of Career Services](#) (OCS) assists students as they plan their careers. Corporate recruiters come on campus to interview students for post-graduate employment, summer internships, cooperative education experiences, part-time employment, full-time positions. The OCS also conducts workshops designed to teach students skills critical to the career search process such as how to develop a resume, how to interview effectively, and how to dress for success. Career planning assistance is available to University alumni as well.

The University offers many activities for its students. Do you enjoy music? If so, you might want to join the award winning A&T State University Fellowship Gospel Choir or the [Blue and Gold Marching Machine](#). Perhaps you are more interested in military service. If so, you might be interested in [Army ROTC](#) or [Air Force ROTC](#). If you would like to put your leadership skills to work as you help to plan activities for the University, you might want to learn about the [Student Government Association](#).

Thank you for stopping by the Prospective Students Website, and we hope that you enjoy your visit!
